ACKNOWLEDGEMENT

I welcome this opportunity to record here, my appreciation for people who have encouraged and assisted me in various capacities during my Ph.D. tenure.

It is a great pride and privilege for me to express esteemed sense of gratitude to my supervisor Dr. Narendra Singh, Associate Professor, Dept. of Chemistry, R.P.G College, Jamuhai, Jaunpur for his judicious and precious and perspective criticism in shaping this Thesis. My deep sense of gratitude cannot be adequately expressed in words.

My sincere thanks to Dr. M.P. Singh, Principal and Dr. C.R. Singh, Head, Department of Chemistry, R.P.G. College, Jamuhai, Jaunpur for their kindness to permit me for my work.

I would like to thank Sipra Labs, Hyderabad for permitting me to complete the HPLC and other instrumental analysis, also thank each and every staff of Sipra Labs.

My humble thanks to Kreszent Pharma, Puducherry for providing the gift samples of Ceftriaxone sodium, Cefotaxime sodium and impurities.

I express my sincere sense of indebtedness to all of my respected teachers Dr. S.P. Tripathi, Associate Professor and Dr. H.C. Mishra, Associate Professor, Department of Chemistry, R.P.G. College, Jamuhai, Jaunpur for their constant encouragement and moral support throughout the course of study.
I tender my profound thanks Dr. Kamlesh Singh, Ex-Professor and Dr. Sechu Singh, Ex-Professor for their help and encouragement in completing the thesis.

I would like to thank my parents T.Bapuj I, T.Vara Lakshmi and brother T.D.Phani Kumar who have brought me up to the level of this stage, which for being source of inspiration to me and helping me out at all stages of my study and it is just because of them that I have come this for today.

At last but not least, I thank my wife T.Shailaja and daughter T.Neha Shri Durga for the encouragement, affection, sacrifice, help and continuous cooperation.

I thank each and every one who has helped me either directly or indirectly in shaping up the thesis.
