DEDICATED TO BELOVED

PARENTS, NEETA, VAIDEHEE, SHIV, Dr.

H.S.PATEL

AND

Dr. Kartik VYAS
ACKNOWLEDGEMENT

I shall ever, remain thankfully indebted to all those learned souls, who directly or indirectly motivated me to achieve my goal and enlightened me with the touch of their knowledge and constant encouragement. It is a pleasant aspect that I have now the opportunity to express my gratitude for all of them.

I would like to thank almighty Yogeshwar Bhagwan and Pujya Pandurang Shastry Athavale. I know they are always there with me and Works with me. They dwell in my heart and motivate me during my work.

I convey my heart felt gratitude to all my family members especially my father Shri Purushottambhai and mother Miss Sitaben for their always blessings, constant encouragement and bringing me up to this stage.

At the outset, I take the privilege in expressing my deep sense of gratitude and indebtedness to my Major Advisor Dr. Kartik B. Vyas, Professor, Department of Chemistry, Seth L.H. Science College, Mansa. I would like to thank him for his interest in the study, close follow up and all rounded assistance during the study period. The critical advices given have helped me to overcome many tough moments. He permitted complete freedom to me and I fervently hope that I have done something to do justice to the faith he had in me.
I would like to record my sincere gratitude and thanks to my Minor Advisor Dr. H.S. Patel, head of the Chemistry department, Vallabh Vidyanagar, for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work which made a backbone of this research. Above all and the most needed, he provided me unflinching encouragement and support in various ways.

I wish to express my sincere thanks and gratitude to Dr. Monalisa Professor & Head of Chemistry Department, Dr. OM Prakash Professor of Chemistry Department, Shri Jagdish Prasad Jhabarmal Tibrewala University, Vidyaganj, Jhunjhunu, Rajasthan. I express my heart-felt gratitude to my friend Mr. Rajarshi N Patel, Ph.D. (Scholar), Organic Chemistry, for their consistent and invaluable inspirations, prolific and introspective guidance with constructive suggestions, deliberative discussions and active persuasion throughout the course of my study.

I am highly thankful to my beloved wife Neeta, daughter Vaidehee and son master Shiv for their co-operation and for their unconditional support throughout the course of study. It is like a drop in the ocean of words that can never reach its mark to acknowledge infinite love, blessings, sacrifices and constant encouragement of all my family members, who have been the sole source of inspiration for me to move ahead in my life.

Dineshkumar P. Patel
