ACKNOWLEDGEMENT

I have no word to express my heartfelt gratitude to my supervisor Dr. Deepak Gupta, Professor and Head, Department of Mathematics, Maharishi Markandeshwar Engineering College, Mullana (Ambala), Haryana, for his continuous guidance, invaluable suggestions, affectionate encouragement, generous help and important acumen. His support, motivation, enthusiasm, immense knowledge and keen interest are greatly acknowledged in all the time of research and writing of this thesis. I consider myself fortunate to work under his supervision.

I am deeply indebted to my co-supervisor Dr. Beant Singh whose guidance, stimulating suggestions and encouragement from the initial to the final level enabled me to develop an understanding of the subject and helped me in all the time of research for and writing of this thesis.

I am also thankful of Dr. Mohinder Singh Saroa, Dr. Vishal Gupta and all the Faculty members and Research Scholars of the Department of Mathematics, Maharishi Markandeshwar University, Mullana, Ambala for their occasional discussions during my research work.
The earthly blessing of my mother **Smt. Kuldeep Kaur** and heavenly blessing of my father **Late S. Surinder Singh** gave me spiritual strength in finishing the research work within time. I would also like to give my special thanks to my wife **Dr. Jaswinder Kaur**, son **Parampreet** and daughter **Livnoor** whose utmost love enabled me to complete this project.

It is a great pleasure to thank everyone who supported me in any respect during the completion of the course of my research work.

Last but not the least, the one and the only one above all of us, the omnipresent God, for answering my prayers for giving me the strength to plod on despite my constitution wanting to give up and throw in the towel, thank you so much God.

**(Harjinder Singh)**
