ACKNOWLEDGEMENTS

It is my sincere duty to thank my teachers and friends who have been helpful in many ways towards the successful completion of my research work and their kind co-operation in meeting my desires.

I take this opportunity to express my sincere thanks to my research supervisor Dr. R.L. Patil, professor, Dept. of P.G. Studies in Physics, Karnataka University, Dharwad for his able guidance and encouragement that lead to the successful completion of this work.

I am greatly indebted to Prof. D.K. Deshpande, professor, Dept. of P.G. Studies in Physics, Karnataka University, Dharwad for alacrity and unstinted co-operation. It is my duty at the present juncture to thank him for his constant and valuable guidance and keen interest taken in the progress of my work without which, probably, I would have meandered in the research field.

I respectfully acknowledge Prof. B. Hanumaiah, Prof. M.R. Gorbal, former Chairmen and Prof. T.S. Mudholi, Chairman, Dept. of P.G. Studies in Physics, for their encouragement and support of this work. I am very much glad to thank Prof. G.C. Hiremath, Prof. B.G. Mulimani, Prof. G.C. Chikkur, Prof. V.G. Tulasigeri, Prof. A.M. Karaguppikar, Prof. S.S. Kubakaddi, Drs. N.S. Sankeshwar, J.S. Kadadevarmath, S.R. Inamdar, Shri. S.Y. Ambargolkar and all other teachers for their co-operation and valuable suggestions during the course of my research work.
I take this opportunity to express thanks to all non-teaching staff of Physics Department.

The encouragement due to Shri. A.B. Patil, Chairman, Shir. S.C. Kesti Vice Chairman and other members of board of management, S.D.V.S. Sangha, Sankeshwar is very much appreciated. Also I thank Shri. G.S. Indi, Chairman, Local Governing body for constant encouragement throughout my research work.

I express my sincere thanks to Prof. N.B. Kakhandki, principal and Dr. G.S. Nadagouda former principal, S.S. Arts college and T.P. Science Institute, Sankeshwar for their kind support which was phenomenal and went a long way in completing my research. Special thanks are due to my teachers and colleagues at the college especially Prof. D.S. Khade H.O.D. of Physics, Dr. R.B. Pujar, Dr. B.V. Bhise, Dr. M.C. Hosur H.O.D. of Chemistry, Prof. P.S. Manoli and others. I am very much grateful to Capt. B.R. Digambarmath N.C.C. Officer for constant encouragement and his kind help.

I express my sincere thanks to Shri. S.B. Desai of Shiva University Kolhapur. My thanks are also due to Dr. T.M. Amminabhavi and his research group of Chemistry Dept. K.V. Dharwad.

I thank Shri. Anand Huddar, S.M. Kulkarni and S.S. Kulkarni for their assistance in typing the manuscript.

I wish to owe my respects to my Father Rachayya, Late mother Leelavati, uncle Chandrayya, Father-in-law Chandrashekharayya, Mother-in-law Shanta for their blessing and unwavering encouragement and daughters Spurti, Keerti, brothers Allayya, Suresh and Sister Mangal for their endurance that has been a sort of inspiration to me and without their help, this work would not have been just possible.

I would like to thank specially to my life partner Dr. Sujata, who is sharing my dreams, love, difficulties and life itself.

The help of U.G.C., New Delhi and S.R.O. Hyderabad is gratefully acknowledged for awarding Teacher Fellowship.

P.R. Hiremath
