Acknowledgments

Foremost I want to express my deepest gratitude to my research guide Prof. N. B. Ramachandra, M.Sc., Ph.D., Department of Studies in Zoology, University of Mysore, Manasagangotri, Mysore, who provided me such a great opportunity to work under his guidance. His encouragement, commendable enthusiasm toward research and never say die attitude persuaded me throughout my whole research work. I am forever indebted to his wholehearted support, guidance, aid and inspiration.

I am also thankful to Prof. H. N. Yajurvedi, present Chairman, for providing the facilities to carry out my research work in the Department of Studies in Zoology, University of Mysore. I am also grateful to the former chairpersons, Prof. V. A. Vijayan, Prof. Prakash R. Naik, Prof. S. N. Hegde and Prof. S. R. Ramesh.

I would like to thank Prof. P. A. Mahesh, Department of Pulmonary Medicine, J.S.S Medical College, Mysore, for his continuous encouragement, guidance and valuable suggestions during my research work.

I wish to express my sincere gratitude to my dear teachers, Prof. S. R. Ramesh, Prof. B. V. Shyamala, Dr. M. S. Krishna, Dr. V. Shakunthala, and Dr. S. S. Malini for their encouragement and motivation.

I also thank all my dear friends and research colleagues Dr. Kusuma L, Dr. Parisa Davoodi, Dr. Avinash M. V., Dr. Shyamala K.V., Radhika P, Sangeetha V, Megha Murthy, Raviraj V S, Somanna A N , and Dr. Hadi Ghaffari for all their help and support during my research work. I am privileged to have such wonderful friends.

I wish to warmly thank all non-teaching staff of the Department of Studies in Zoology, University of Mysore, for their assistance and cooperation during my research work.

I profusely thank Dr, Jayaraj. B. S, Department of Pulmonary Medicine, J.S.S Medical College, Mysore, Dr, Subba Rao. V. Madhunapantula, Department of
Biochemistry, J.S.S Medical College, Mysore, and Dr. Amrutha. D. Holla and the staff from “Allergy, Asthma, and chest center” for assisting me during research work. I also sincerely thank all the patients and their families for their cooperation in this study.

With all my heart, I wish to express my deep sense of gratitude to each and every member of my dearest family, my dear parents Mr. Gholam Reza Raeiszadeh Jahromi and Mrs. Faezeh Razagh Zadegan, my beloved sisters Samaneh and Yasaman, and my dear brother in law, Dr. Mohammad Haddadi for their unconditional patience and unfailing support during the years of this work. Without them all, it would not have been possible to complete this work.

Finally, a word of apology to all those whom I might have missed out.

Sareh Raeiszadeh Jahromi
