ACKNOWLEDGEMENTS

I have great pleasure to work under the guidance of respected Prof. (Dr.) S. B. Wagh, former Professor & Head, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. I extend my great respect and vast indebtedness towards him for his patient guidance, searching queries, mature judgments, ever helping spirit, and familiar approach, without which it would not have not been possible for me to complete this work. I am fortunate enough and consider it to be proud privilege for getting benefited from his knowledge and scholarly guidance. He has always been a source of inspiration and encouragement for me. His inspiration and continuous encouragement has helped me to complete my research work. I am short of words to express my sincere and deep sense of gratitude towards him.

I am thankful to Dr. Satish S. Patil, Head, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for providing me research facilities during the period of my research work.

I express my love and affection towards my father Shri. Sahadeorao Datkar, my mother Sou. Venutai Datkar & Miss. Manisha, Master Sahil, Sameer, Raghunathji Tidke, Shalinitai Tidke &
Mrs. R. S. Wagh, Jyoti Wagh, Shri Jarare, Dr. Shailesh Thakare, Shri. Manoj Chore, Sangitatai Thakare & Smitatai Chore for their helpfulness and constant support they rendered in the completion of my research work.

I am greatly indebted to the Government authorities - Shri. V. Ramani Sir, Divisional Commission, Aurangabad and Smt. V. Radha, Collector, Aurangabad and Shri. Dilip Shinde, Deputy Commissioner (Rev.) for permitting me to undertake the work.

I am also thankful to the WOTR, Ahmednagar for providing literature. I am indebted to the officials of the GRASP who cooperated & provided every information required during the research work.

I am also thankful to the residents of Boltek Watershed, Sarpanch, Talati, Gramsevak & various associated agencies and government officers for their cooperation during the course of investigation.

I am thankful to Mr. Dhokane Baburao for technical support.

Lastly I would like to express my deep sense of gratitude to all those who have helped me directly or indirectly in bringing out this piece of work.
