ACKNOWLEDGEMENT

I acknowledge my thanks to Dr. Widhi Dubey, Professor, MGIAS, University of Rajasthan, Jaipur; who gave me constant support and encouragement to complete my work.

I am blessed to have received guidance from her and her advice and encouragement will always remain with me as my most treasured possession. No words are sufficient enough to express my gratitude to her.

It was her guidance and direction that the present study was initiated, conducted and completed. I admire her deeply for her compassion for her studies and devotion to her work.

I am deeply indebted to Prof. Emeritus P.C.Trivedi, for his blessings to carry out this project for providing me much needed constant guidance and invaluable help at every step of the course of my study.

I feel honored to express my deepest sense of gratitude to Prof. Emeritus Dr.Virendra Singh, S.M.S. Hospital and Medical College, Jaipur. When molehills seemed like mountains he kept it all in perspective. His suggestions advice and consistent encouragement proved a source of great inspiration to me.

I am highly grateful to Dr. R.K.Acharya, Dr.Tejraj Singh Dr.T.C.Sharma and Rakesh Kumar for their constant support and encouragement. I would like to thank them for their willingness to help out whenever and wherever.
I would specially like to appreciate the moral support rendered by my parents *Smt. & Engg. R.K. Chaudhary*, who have been a constant source of inspiration in the happening of this dissertation. I am deeply indebted to them for always being there for me and for their blessings, which always inspired me to attain my goal in life. Without the love, support and encouragement of my Sister in law *Vineeta didi*, I would have not been able to complete the dissertation in the most Meticulous manner. They all were instrumental in keeping my vision on my goals and motivating me when I most needed it. The uphill task of completing this dissertation was made easier by their Co-operation and support.

I acknowledge with profound sense of affinity my innermost and sincerest feelings of thankfulness to my spouse dearest *Dr. Udaiveer Singh* who, in her respective numerous ways, helped me sustain the tempo for and bear the burden of my work and share the joy on its completion. I take pride in acknowledging the help, guidance and encouragement given to me by him in the entire endeavor.

Last but not least I would like to mention my descendant, adorable and sweet son *Ayush Kumar* and lovely daughter *Sejal*, to whom I would like to dedicate my work.

*Dimple Singh*
