The most pleasant duty in a work like this is to remember, record and ruminate my obligations to all those who have made its completion possible.

I wish to express my gratitude for the untiring help, astute and unfailing scrutiny and constant supervision provided by my esteemed teacher Prof. D.N. Mishra, M.D., F.C.C.P., M.N.A.M.S., Department of Medicine, M.L.B. Medical College, Jhansi during the entire period of the study. help extended and moral support provided by my parents
during my hours of desperation due to ever arising problems
and time consuming process.

And in last but not the least I will fail in my
duty if I do not offer my sincere thanks to Mr. Phool
