

ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude to my guide Dr. (Mrs.) V. S. Ghate, Ex-Incharge of Botany Group, Agharkar Research Institute (ARI), Pune for her constant encouragement, support and help rendered in various ways during the course of this work.

I am thankful to Dr. D. R. Ranade acting Director, Dr. V. S. Rao, Ex- Director and Dr. P. P. Kanekar, Ex-officiating Director, Agharkar Research Institute (ARI), Pune for giving me the opportunity to work in ARI. I also thank Dr. A. M. Mujumdar Ex-head of Plant Science Division for providing facilities and for valuable suggestions during my work.

I am thankful to the authorities of Botanical Survey of India, particularly Dr. Diwakar Joint Director, Western Circle Pune for providing herbarium access and extending library facility and Dr. Lakshiminarsivan for helping in sorting out problems of nomenclature, CNH Calcutta; special thanks are due to Dr. Santosh Kumar, Liaison Officer, India, Kew Botanical Garden for helping me in identification and providing me the literature and protologue for two species of *Carissa*.

I am grateful to National Botanical Research Institute, Lucknow; Central Drug Research Institute, Lucknow.

Special thanks are due to Dr. P. P. Kanekar, Ex-head of Microbiology Department for providing me the cultures of bacterial strains and designing the experiment for antimicrobial studies and Anita Kelkar for helping me in experimental work.

Special thanks are to Dr. Anagha Desai, IDRA and Dr. K. V. Billore for their help and for their expert advises during tenure of Ph.D research and for timely suggestions.

I am also thankful to Dr. Shekar Ghate for his great help and timely suggestions.

I am grateful to Khadiwale Vaidya for the library consultation and Dr. Yogini Kulkarni for helping me in reference work and explaining the Sanskrit text related to Ayurveda.

I am also thankful to Dr. D. K. Kulkarni, Dr. (Mrs.) A. S. Upadhye, Dr. Mandar Datar, Dr. Prakash Patel and Dr. Ashwini Misar of Botany Group, ARI for their constant encouragement.

I express my thanks to M. D. Chavan for helping me during collection of material. I am also thankful to all the office staff of Agharkar Research Institute, Pune for their help.

I also acknowledge the help extended by my friends Dr. Rani Bhagat, Dr. Anagha Rajopadhey, Namrata, Bhagyashri, Anup, Rupali, Manjusha in ARI.

I express my thanks to my friends Prajakta, Vyankatesh, Manju and Dhanashree for their encouragement during my work.

Finally, I express reverence to Kritika, my parents, sisters, brother and husband for their great inspiration in completing this work.

Rekha Jayasing Salunke
