ACKNOWLEDGEMENT

No words are too adequate to express my profound indebtedness to **DR. SANJAY B. SALUNKE** Head of Department of Sociology Dr. Babasaheb Ambedkar Marathwada University, under whose invaluable suggestions, constructive criticism, precious guidance, continuous encouragement, keen interest and personal affection. I have been able to complete my research work.

I would also like to express my gratitude to **Dr. D. D. Kachole** the former my valuable teacher Lecturer of **DR. B. A. M. University** and **Dr. SUTIN PHANIT**, President of Thai student Aurangabad. **DR. AROON CHAINIT**, who were kind enough to guide me in certain aspects of the research work.

During I am doing research for materials, I have received cooperation and help from the staff members of the following someone and institutions, namely; I thank you very much **MR. KASAME KLUNYING** Secretary-General of Office of the Welfare Promotion Commission for Teachers and Education Personnel Ministry of Education supported to study and Associate Professor **DR. SORNCHAI PISARNBUTRA**, who is the senior adviser of the rector of the Dhurakietbundit University and the director of research center. His suggestion and checking for some error in this thesis were appreciated by the researcher and would like to thanks **MS. KANCHANA KOSIYANANT** and **MS. ARIYAPATH LUENGWAROT**.
They had assisted to research data, read, analyses review and suggest to design the form of questionnaire and help anything to work. Out of this researcher must thanks Thammasat University library, The National library, Library of MOE, Bangkok Metropolitan Administration library, Chulalongkorn University library and Library of Dr. B. A. M. University (Aurangabad) I am grateful to them all.

In the field, I would like express my respected thanks to MR. PRASONG CHEURKUM, Director of Mathayomnaknavaoupatum School, allowed me to get the data from the school in the case study. Thanks to the student of Secondary school (Matayomsuksa 1) of the semester year 2005 and 2006. They had spent their time to answer the questionnaires with good attention otherwise this thesis would not be finished. Thanks to DR. ALONGKORN TUNKABUNHARN, Commercial Business Director of Acer Thailand Co. Ltd. for giving advice and correction.

During I stayed at Aurangabad from 2006-2009 A.D. I received a warm welcome many Indian families I would like to take this opportunity thanks especially Jumbade and Krishnakoushal who were very kindness to me and Indian friends in Jaisingpura Aurangabad and send my hearty thanks to MR. AMED KHAN who help and look after everything. Thanks so much for PHAMAH A WICHAN DR. NARONG Student Association.
Finally, I give my special and sincerely thanks to my Parent **MR. SWANG, MS. PORN MONMANO** they was dead who gave my life and everything for me. Thanks very much for my wife, **MS. JIRANAT** and my family encouragement on the way to study.

Hopefully, the researcher would like to publicize broadly and any agencies will talk the research result to develop in the education. In case of any incompleteness, the research is willing to accept.
