ACKNOWLEDGEMENT

As I was preparing to write this page, numerous memories rushed in my mind, which is full of gratitude towards those that encouraged and helped me at various stages of this academic endeavor. It is my pleasure as well as my duty to express my feelings of gratitude towards them.

In the first place I would like to convey my gratitude to Prof. M. Ubaidullah, Research Guide, Dept. of Population Studies & Social Work for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. He was not only a source of straight to me in carrying this work but he was also a man of deep understanding about difficulties for which I will remember him forever.

It is my ardent duty to express great indebtedness to Dr. R. Sudhakar Goud Assistant Professor a guide and philosopher fried who supported and helped me in number of ways throughout my research. His friendship with a critical approach enabled me in overcoming many anticipated and unanticipated difficulties in research and personal life.

The Department of Population Studies and Social Work, where the thesis has been designed and completed, has been exceptionally supporting. I am thankful to Prof. P. Vinayagamurthy, Head of the Department, for the help he has readily rendered throughout. I thank Prof. T. Lakshmamma, Chairman, Board of Studies of the Department, for his help.-The faculty members of the department Prof. Ravindra Kumar, Prof. Hari, Dr. D.Sai Sujatha, Associate Professor, Dr. Rajasekhar Associate Professor, Dr. T. Chandrasekharaih, Assistant
Professor have been highly encouraging. I thank the non-teaching staff Mr. Manoj and other SAP project staff of the department for their help. I register my thankfulness to Prof. Kiran Krant Chaoudhary, Principal, and Prof. Neerajakshulu Naidu, Dean, SVU College of Arts, SV University, for their consistent encouragement.

I want to express my sincere thanks to Dr. G. Sanjeevayya, Assistant Professor, Department of Social work, Dr. B. R. Ambedkar, University, Srikakulam, for his support during my research work.

I am very much thankful to Prof. Shiva Shankar (Dean, Faculty of Social Sciences Telangana University, Nizamabad), for his support and encouragement to take up my Ph.D. course.

I am extremely thankful to Telangana University Faculty members Dr. G. Bala Sinivasa Murthy (Department of Telugu Studies), Dr. Rajaram, V. Shantha Bhai & Dr. G. Chandra Shekhar (Department of Mass Communication), Prof. Satyanarayana Chary, C.H. Anjaneyulu, Dr. Aparna (Department of Business Management), Prof. Yadagiri (Department of Commerce), Dr. B Sailu (Department of Organic Chemistry), Dr. Shiva Kumar, and Dr. Shoba Rani (Department of Law), Dr. Praveena Bhai & Dr. Mayadevi (Department of Hindi), Dr. Ravindar Reddy, Dr. Venkateswarlu (Department of Applied Economics), Dr Sampath Kumar (Department of Applied Statistics) for their excellent guidance and valuable suggestion.

I am extremely thankful to Prof. Kamalakar Reddy, Dept of Geography, Osmania University, Hyderabad for his support during my research work.
I extend my sincere thanks to Shri. B. Malleswar Rao senior scientist National Information Centre (NIC) Hyderabad, Shri. Mr. Janardhan Reddy & Mr. Subramanyam (Project Officers in Centre for Rural Development), Dr. Sudhakar Asst. Librarian, NIRD Hyderabad, for their cooperation and helpful nature.
