ACKNOWLEDGEMENTS

First and foremost, I owe my deepest gratitude and sincere thanks to my supervisor Prof. Gurcharan Kaur, Department of Biotechnology, Guru Nanak Dev University, Amritsar. It has been an honour to be her Ph.D. student. I am grateful to her in every possible manner. She has been the guiding force whenever I had doubts on my capabilities in research work. If I happen to ruin the section slides, the grief of time and resource wastage would make me headless, but her patience and practical motivation would make me spirited to do the things right next time. I appreciate all her contributions of time, ideas, and funding to make my Ph.D. experience productive and stimulating. The joy and enthusiasm she has for her research was contagious and motivational for me, even during tough times in the Ph.D. pursuit. I am also thankful for the excellent example she has provided as a successful scientist and professor.

All the lab members have contributed immensely to my personal and professional time at Department of Biotechnology, Guru Nanak Dev University. The group has been a source of friendships as well as good advice and collaboration. I am especially grateful to my seniors Dr. Jaspreet, Dr. Jyoti and Dr. Sandeep and appreciate their enthusiasm, intensity and willingness for science research, which helped me imbibe good research attitude. I am also indebted to my colleagues Sushil, Hardeep, Navjot, Rachana, Rumani, Randeep, Harpreet, Balraj, Amardeep, Ashutosh, Brinderjit, Shiv, Santosh, Tanima, Harsimran, Isha and Pritika for their support and lending their ear to listen to me when I was in dire need to talk.

I would like to thank Dr. Tatsunori Seki, Juntendo University, Japan for PSA-NCAM antibody gift sample. My sincere thanks are also due to Dr. Katsuhiko Ono, National Institute of Physiological Sciences, Japan, for NCAM
antibody gift sample. I am also thankful to Dr. G. Tramu for GnRH antibody gift sample and Council of Scientific and Industrial Research (CSIR), India, for providing Junior and Senior Research Fellowship during the course of this study.

I would also like to acknowledge the faculty members from my department Prof. Prabhjeet Singh, Dr. P.K. Pati, Mr. P.K. Verma, Dr. Ramandeep Kaur, Dr. P.C. Mishra and Mr. Bhupesh Kumar for their support. I am also very thankful to staff members of the department including Mr. Suba Singh, Mr. Rakesh Sharma, Mr. Shiv Kumar, Mr. Jasbir Singh, Mr. Kewal Kumar, Daljit, Rakesh Bhandari, Goldy and Sonu for helping me in their own way.

A person is incomplete without an efficient school education which shapes his personality. I am indebted to Navodaya Vidyalaya Samiti and Navodaya Pariwar for nurturing my basic self. I am grateful to my teachers Late Sh. R.C. Sharma, Renu Madam, Mr. R.P.S. Negi, Mr. Arwind Upadhyaya, Mr. S.K. Thakur, Mr. S.D. Sharma, Mrs. Kulwinder Sharma, Mrs. Anupa Thakur, Mr. S.P. Bhatia and last but not the least my school Principal Mr. K.S. Guleria for the values they preached and practiced which also guided me accomplish this thesis.

My time at University was made enjoyable in large part due to the many friends and groups that became a part of my life. I am grateful for time spent with friends Vijay, O.P., Dr. Chander Prakash, Sukhdev, Rakesh, Dinesh, Sanju, Pankaj, Vivek Sheel, Ashun and Abhimanyu. I owe everything to Art of Living Family for the wonderful moments between long spans of research work. I am thankful to Raman Bhaiya, Dr. Anish Dua, Mukesh, Dinesh, Abhinav, Manu and the guiding spirit behind them all - Sri Sri.

I am very grateful to my family for all their compassionate love and encouragement and supporting me in all my pursuits. My deepest gratitude to my
parents who have been the guiding force behind my achievements, their support and sacrifices behind my accomplishment can't be put in words. I am also thankful to my sisters for having patience and being considerate, for my reclusive study period as an unavoidable necessity. Thanks to my loving, supportive, encouraging, and patient wife, Poonam, whose faithful support during the final stages of this Ph.D. have been very helpful. Of course I do not overlook the loving support of my parent in laws.

A million thanks to the mute innocent creatures who sacrificed their lives for the successful completion of the present study. I can't even think of the way to return this favour.
