Acknowledgement

At the outset, I wish to express, deep sense of gratitude to my distinguished teacher, Dr. R. Nagabhushanam, Professor and Head, Department of Zoology, Marathwada University, Aurangabad, M.S., India, under whose sharp-scholarly eye and able guidance, the present investigation has been completed.

I am very much obliged to Dr. R. Fujii, Professor, Department of Biology, Sapporo Medical College, Sapporo - 060, Japan, for his unstinted help and encouragement. I am also thankful to M/s Nippon Shikissi, K.K., Japan, for supplying free sample sheets of grey series of Munsell colour system.

I am highly thankful to Dr. B.I. Sunderaraj (Professor, Department of Zoology, University of Delhi), Dr. P.D. Prasadrao (Reader, Department of Zoology, Nagpur University, Nagpur). Dr. R.A. Bhobe (Reader, Department of Chemistry, Marathwada University, Aurangabad), Dr. R.G. Kulkarni (Formerly Reader, Department of Physics, Marathwada University, Aurangabad) and Dr. Andhradeo (Head, Department of Physics, Udayagiri Mahavidyalaya, Udgir, M.S., India) for their unreserved help during the present work.
I also owe my indebtedness to the President, the Secretary, all the members of the Governing Council of Y.R. Society and the Principal, Yogeshwari Mahavidyalaya, Ambajogai, M.S., India, for granting me three years' academic leave to avail the benefit of University Grants Commission's, Faculty Improvement Programme.

I cannot forget to mention the financial assistance given by University Grants Commission, New Delhi, in the form of award of the Teacher Fellowship to me under the Faculty Improvement Programme and for all this I record my deep sense of gratitude.

I am also thankful to the Vice-Chancellor, Marathwada University, Aurangabad, for giving me a chance to work in the Department of Zoology, to complete the present research work.

My sincere thanks go to my friends, who directly or indirectly helped me in my research work, particularly to Mr. A.N. Sirsikar and Mr. C.B. Damsale, Research Assistant, Department of Zoology, Marathwada University, Aurangabad.

I also thank Mr. S.Y. Bhopi (Artist, Medical College, Aurangabad), Mr. V.A. Choudhary, (Artist, Department of Botany, Marathwada University, Aurangabad) and
Mr. C.H. Narale, Artist, Department of Zoology, Marathwada University, Aurangabad, for their skilled photography. I am very much grateful to Shri S.S. Moine, for excellent typing. I also acknowledge the technical assistance rendered by Mr. L.K. Tarte of Department of Physics, Marathwada University, Aurangabad.

Lastly, I express my profound gratitude to my wife who has provided strong moral support during the tenure of the present research work.

S.D. DANDEGAONKAR,
Teacher Research Fellow,
Department of Zoology,
Yogeshwari Mahavidyalaya,
Ambajogai, M.S., India.
