ACKNOWLEDGEMENTS

It is a devine pleasure to offer my sincere thanks to Dr. A.B. Kulkarni, Lecturer, Department of Zoology, Marathwada University, Aurangabad under whose guidance the present work has been completed.

I am thankful to Dr. R. Nagabhushanam, Professor and Head, Department of Zoology, Marathwada University, Aurangabad, for providing necessary laboratory facilities.

Thanks are also due to University Grants Commission, New Delhi, for the financial assistance through the project entitled "Studies on the endocrine mechanisms of Gastropod Molluscs".

Sincere thanks should be recorded for Dr. P.G. Deshmukh, Reader, Department of Zoology, Marathwada University, Aurangabad for his kind suggestions and for my colleagues and co-workers for the silent and active help rendered.

I acknowledge Mr. S.Y. Bhopi, Mr. Anand, and Mr. Nikam for the excellent, neat and clean Photography, Drawings and Typing respectively.
Special thanks should be attributed to Mr. V.N. Utkar for his constant and unending help.

Last but not the least, I express a deep sense of gratitude towards my "In-laws", parents, husband and son, for their unfathomable encouragements during the tenure of this work.

Department of Zoology, Marathwada University, Aurangabad - 431 004. (Mrs. Dnyanada B. Kulkarni)
