ACKNOWLEDGEMENTS

I wish to express my sincere regards and deep sense of gratitude to my guide Honourable Dr. V.S. Lomte, Professor, Department of Environmental Sciences, and DEAN, Faculty of Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, under whose valuable and meticulous guidance, sound criticism and suggestions and constant encouragement, the present investigation was carried out.

I am indebted to the Head, Department of Environmental Sciences, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for kindly providing me with all laboratory facilities, to complete this investigation.

I express my heartful gratitude to Dr. U.H. Mane, Dr. M.L. Jadhav, Dr. S.P. Zambere and Dr. Mule M.B. for their valuable suggestions, encouragement and co-operation.

I express my thanks to my dear colleagues and friends for their constant encouragement and kind co-operation.

It is my divine pleasure to record my indebtedness to my father, mother, uncles and aunts, brothers, sisters and brother-in-laws, sister-in-law for their immense patience, encouragement and understanding during the period of my study.

Lastly, I wish to express my thanks to Dr. A.B. Sapre, for microphotography and Nitin Nikam for typing.

Department of Environmental Sciences,  
Dr. Babasaheb Ambedkar  
Marathwada University
