Well, to say this thesis is only my effort would be totally untrue. At best, this was my dream. This work could not have been completed without the help and blessings of all those people who have been associated with me. Though it is not possible to record and literally acknowledge all of them, I would like to take this opportunity to thank all my friends and well wishers. There are people in this world, some of them so wonderful, that made this dream become a product that you are holding in your hand. I would like to thank all of them, and in particular-

My sincere gratitude to Dr. (Mrs.) Savita Singh, my Mentor, Guru, and Guide, who taught me the basics of writing a thesis and stayed with me right till the end and under whose guidance this work has been carried out.

I am deeply indebted to Dr. K. L. Verma, Professor and Head, School of Studies in Literature and Languages, for his affectionate support. It is due to him that my thesis saw the light of the day.

I feel obliged to Dr. Shukla Banerjee, Head, Dept. of English, Govt. Science College, Raipur for her valuable suggestions during the whole process.

I am thankful to Dr. C. R. Kar, Professor, School of Studies in Literature and Languages, for his sincere advice and blessings.

I would like to add here a name- Mr. Amod Rai, Lecturer (English), Govt. College, Ateli, an amazing friend who helped me and gave honest support during the process.
