ACKNOWLEDGEMENT

I wish to express my gratitude to all of them who helped me to complete the present work.

I am indebted to my teacher and guide Dr. B.S. Jain, M.S., Associate Professor, Department of Ophthalmology, M.L.B. Medical College, Jhansi for giving me the privilege to work under his affectionate guidance. The present work at every stage bears the impressions of his valuable suggestions, constructive criticism and meticulous attention. I am extremely grateful for the ceaseless attention he had paid to my problems, and constant encouragement throughout this work. He inspired me with his preciseness in work, untiring zest and unfathomed knowledge throughout his humble venture.

I fail to express my sense of indebtedness from the deepest recess of my heart to my esteemed benevolent teacher Dr. G.D. Gupta, MS, DOMS, Associate Professor and Head of the department of Ophthalmology, M.L.B. Medical College, Jhansi for helping me the way out to my problems during the course of my study and for teaching me the fundamentals so that I could continue to learn for the rest of my life.

I would also like to thank and express my obligations to my co-guide Dr. Navneet Agarwal, MD, Assistant Professor, Department of Medicine, M.L.B. Medical College,
Jhansi for his extreme concern and kindness towards me and my work, who has generosity allowed me to see patients under his care.

I would like to acknowledge my indebtedness to Dr. V.K. Misuria, MS, Assistant Professor, Department of Ophthalmology, M.L.B. Medical College, Jhansi who have helped me the way out to my problems during the course of my study work. I am undoubtedly thankful to my senior resident Dr. Chitra Singh who has helped me on every step in building up the infrastructure of this work. I am thankful to my colleagues and my friends especially Dr. Anurag Garg, Dr. Kapil Paliwal for boosting my confidence.

Finally, I must say a necessary work of appreciation for those who took immense care and patience in typing out this manuscript.
