ACKNOWLEDGEMENT

I take this opportunity to record my deep sense of gratitude to Dr. G. B. Shinde, Reader in Zoology, Marathwada University, Aurangabad for his valuable guidance, untiring keen interest and unceasing encouragement during my entire research work.

My sincere thanks are to Dr. R. Nagabhushanam, professor and Head, Department of Zoology, Marathwada University, Aurangabad for providing the necessary facilities during the course of investigation.

I must acknowledge the invaluable help of the Head, Librarian, Indian Agricultural Research Institute Library, New Delhi for the consultation of literature.

I am grateful to the authorities of the University Grants Commission, New Delhi for financial help during the period of the research work.

Thanks are due to Shri U. L. Narode, Stenographer for the dextrous typing of the thesis and to Shri Narale, for reproducing photocopies of original drawings.
I feel it is my duty to express deep sense of gratitude to my parents for their valuable cooperation without which it could have been impossible to complete this work.

Valuable cooperation of my colleagues is greatly appreciated.
