ACKNOWLEDGEMENTS

I am greatful to Dr. (Mrs.) S.R. Nikam, Lecturer, Department of Zoology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Under whose guidance of the entire work was carried out. I am thankful to her constant guidance, encouragement and helpful suggestions throughout the course of the work. I would prefer to remain in her debt forever.

I am thankful to Dr. U. H. Mane, Professor and Head, Department of Zoology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for providing laboratory and library facilities for carrying out the work.

I also acknowledge with great pleasure, the kind help and encouragement by Dr. Masood Ahmed, former Professor of this Department, while doing this work.

Greatful thanks are due to Dr. (Mrs.) Tayyaba Sultana, Dr. Baba Jadhav, Dr. (Mrs.) S.R. Sonawane for all the help during the course of the work.

Thanks are also due to all my colleagues in the Protozoology laboratory friends and my family who have helped me in the preparation of the thesis.

Special words of thank to Shri. Deepak Nikam for excellent and prompt typing and Shri. B.S. Dhokane for microphotography.

Date : 13th June, 2002
