CONTENTS

CHAPTER I

INTRODUCTION .................. 1

CHAPTER II

DEVELOPMENT OF SYNTHETIC DRUGS AS ANTIFUNGALS ............ 19

Section A Synthesis and Characterisation of 2-mercapto benzimidazoles, 2-mercapto benzthiazoles and 2-mercapto benzoxazoles

Section B Literature survey

Section C Isolation and identification of various strains of C.albicans

Section D Antifungal studies

Section E Pharmacological studies

Section F Toxicological studies

CHAPTER III

SEARCH FOR ANTIFUNGAL DRUGS AMONG MEDICINAL PLANTS ........... 90
CHAPTER IV

ALTERNATIVE SYSTEMS OF MEDICINE
AS A SOURCE OF NEW ANTIFUNGAL DRUGS
(SIDDHA DRUGS) ........................................ 117

CHAPTER V

DISCUSSION ........................................... 129

SUMMARY ............................................. 143

REFERENCES ......................................... 147
