ACKNOWLEDGEMENT

I extend my heartfelt thanks to my research supervisor Dr. AJOY MATHEW Ph.D., Lecturer (Senior Scale), School of Management and Entrepreneurial Development, Bharathiar University, Coimbatore – 641 046 for his invaluable guidance and support at all stages of this research work. It would not have been possible to complete the research work without his timely help, active guidance and support.

I also extend my sincere thanks to the Vice-Chancellors of Bharathiar University for having given me the opportunity to pursue the research work at Bharathiar University, Coimbatore as a part-time scholar.

I am indebted to Dr. R. ANANTHASAYANAM, Professor and Head, Department of Educational Technology, Bharathiar University, Coimbatore for his thought provoking questioning and constructive criticisms for the successful completion of this research work. His seasoned approach had been a source of inspiration throughout my research work.

I deeply extend my sincere gratitude to Mr. M. K. RAMALINGAM, Partner, Aishwarya Aqua Farms, Mimisal for allowing me to have the first hand knowledge about shrimp farming in their modern farm. I am thankful to him for allowing me to carry out some of the experiments in their place. His help towards understanding the culture practices is acknowledged with sincere thanks.

Dr. R. PALANIVEL, Professor, Dept. of English, I.C.E., University of Madras is a source of inspiration for me in academics and he gave the direction towards reaching the milestones of this research work. His mid-course corrections were found immensely useful for achieving the objective. His impact on me goes beyond this research work.

I am grateful to Dr. T. R. MADAN MOHAN, Associate Professor, Indian Institute of Management, Bangalore, Dr. G. SADASIVAM, Professor, Anna University, Chennai, Dr. D. DHANAPAL, Professor, Tamil Nadu Veterinary University, Chennai and Dr. S. NEELAMANI, Assistant Professor, Indian Institute
of Technology, Chennai who helped me in locating the research publications and articles in the area of research undertaken by me.

Sincere thanks are due to Mr. S. SUBRAMANIAN, Asst. Administrative Officer, Central Marine Fisheries Research Institute, Cochin, whose help during the literature survey is unforgettable.

I am immensely pleased to acknowledge Dr. G. SANTHANA KRISHNAN, Joint Director, MPEDA, Cochin for his valuable suggestions.

It is indeed a pleasure to express my thanks to Mrs. M. JEYAM, my sister for her valuable suggestions and to Mr. M. VENKATESAN, my brother and Proprietor, Infotech Computer Services, Chennai for the help in data entry and analysis.

My sincere thanks to the faculty members and staff of BSMED and Alagappa Institute of Management, Karaikudi for their suggestions and cooperation.

I express my thanks to all who have helped me in typing this thesis.

I am deeply moved by the scholarly help of my wife Mrs. D. VADIVAMBAL, throughout the period of my study. It is with immense sense of happiness and joy I express my deep sense of thanks to my beloved son Master S. KAILASH specially for his kind co-operation and adjustment throughout the period of the research work.

Last but not the least, I dedicate all my scholarliness to my parents Mr. K. N. MUTHUSAMI, Superintending Engineer P.W.D. (Retd.,) and Mrs. M. SAROJA, who gave me the complete education and are the driving force behind me.

Finally, I thank THE GOD for all that I am today.
