CONTENTS

PREFACE

ACKNOWLEDGEMENTS

CHAPTER I  Introduction  1

II  Mechanism of oxidation  31

III  Experimental procedure  103

IV  Atmospheric oxidation of thin films of tin  138

V  Effect of sulphur dioxide on the oxidation of thin films of tin  170

VI  Oxidation of thin films of tin in an atmosphere containing hydrogen sulphide at room temperature  189

VII  Effect of impurities on the oxidation of thin films of tin  203
