ACKNOWLEDGEMENTS

I deem it a great privilege to extend my profound respects, sense of gratitude and sincere thanks to my research supervisor, Prof. K.Janardhanam, Department of Environmental Sciences, Sri Venkateswara University, Tirupati for his constant encouragement inspiring guidance and valuable suggestions throughout the progress of the work and successful completion of my work.

I wish to express a special word of thanks to Prof.G.Ramakrishna Naidu, Chairman (BOS), Department of Environmental Sciences, for his valuable suggestions.

I deem it a great privilege to express my sincere thanks to Dr.K.Mrutyunjaya Reddy, Director General APSRAC, but for whose motivation, encouragement and cooperation this thesis could not have been undertaken. I acknowledge gratefully the help of Dr.R.Nagaraja, NRSC, for providing necessary help in completing my endeavor.

It gives me a great pleasure to acknowledge with many thanks to Dr.V.Raghu, for his constant guidance, help and motivation. A special note of thanks is due to, all the Senior Scientific Officers and Staff members of APSRAC for providing constant help and co-operation in completion of the work.

I wish to express thanks to Non-teaching Staff of Department of Environmental Science for their kind help in time of need.

I express many thanks to my research colleagues in Department of Science and Colleagues in APSRAC for providing constant help and co-operation in completion of the work.
Grateful thanks are due to many officers of Forest department, TTD, Directorate of Economics and Statistics for providing necessary help in completing my work.

It gives me an immense pleasure and pride to express my sincere gratitude and respect to my beloved parents Mr. M. Sekhar and Mrs. M. Sujatha who encouraged me to proceed along a path where tireless striving stretches its arms towards perfection. I also owe my deepest thanks to my father-in-law Mr. P. S. Chowdary and mother-in-law Mrs. P. Kamala, who encouraged throughout this work.

I also express my heart felt thanks to my brother Nihhil, sister Navatha, Brother-in-law. Devadatta, co-sister Shanthi Sree for their encouragement and motivation throughout my studies.

Finally, the present work would be incomplete without the help of my beloved husband Mr. P. Hemanth Kumar, who in a large measure helped me in my work by his close understanding and moral encouragement for the successful construction of this work to a fruitful stage.
