ACKNOWLEDGEMENT

It gives me great pleasure to express my deep sense of gratitude to my guide Dr. P.G. Sathe, M.Sc., Ph.D., Head of the Department of Botany, Mycology, Plant Pathology and Aerobiology Research Laboratory, Moulana Azad College, Aurangabad. I shall remain ever grateful to him for his guidance and constant help to complete this work.

My sincere words of praise and thanks to number of workers in the field of Mycology and Aerobiology for their timely suggestions. Mention may be made of Dr. D.L. Hawksworth, Director C.M.I. Kew, Surrey, England, Director of Vidyan Vandhini, Pune; Director of Hindustan Antibiotics, Pimpri, Pune; and Dr. S.T. Mkal, Professor & Head, Department of Botany, Marathwada University, Aurangabad.

I am thankful to the Principal, Yogeshwari Mahavidyalaya, Ambajogai Dist, Beed, Principal of Maulana Azad College, Aurangabad and Mrs. S.G. Kulkarni, Head of the Department of Botany, Yogeshwari Mahavidyalaya, Ambajogai Dist, Beed for encouragement and laboratory facilities made available to me by them.

It has been a great experience working in co-operation with Dr. K. M. Mogarkar and Dr. Prakash Khot, whose assistance was valuable for completion of the research work. My thanks are also due to Shri. V. K. Chausalkar, of Ambajogai who extended his co-operation by allowing me to use his farm for installation of Air Sampler.

Lastly I am thankful to Shri. Motichand Sanghali for typing the thesis.

AUGUST, 1986.

A. D. BHATE
