<tr>
<td>Research Area</td>
<td>Cancer Biology and Medicinal Plants.</td>
</tr>
<tr>
<td>Research Title</td>
<td>Effect of Hybanthus enneaspermus (L) F.Muell active principle on acrylamide treated mice kidney and testis Glutathione S-transferases.</td>
</tr>
</tbody>
</table>

**Conferences Attended**

1. 76th Meeting of Society of Biological Chemists of India, November 25th to 27th 2007, conducted by department of Bio Chemistry, S.V. University, Tirupati

6. 2nd AP Science congress, November 14th – 16th 2009, Conducted by Andhra Pradesh Akademi of Sciences, Hyderabad and Sri Venkateswara University, Tirupati.
