ACKNOWLEDGMENT

I have immense pleasure in expressing my wholehearted sense of gratitude and indebtedness towards my research guide Dr. Shivajirao Kamble, Reader, Dept. of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad who had not only inoculated the sense of dignity, hard work and honesty in me and my work but he has awaken a scientific attitude in me and introduced me to a challenging field of plant sciences, with his combination of creativity and meticulous attention.

His resourcefulness, valuable guidance, constant inspiration, freedom to work independently will cherish me throughout my life as a source of inspiration.

I am highly obliged towards Professor L. V. Gangawane for his timely valuable guidance during the course of present investigation.

I wish to thanks to Dr. V. S. Kothekar, Prof & Head., Department of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his timely suggestions and providing the excellent research facilities.

I am highly obliged to extend my gratitude towards Prof. N. P. Vaikos, Prof. D. S. Mukadam, Dr. Capt. Bharti Jadhav, Dr. P. B. Papadiwal, Shri. A. S. Dhave, Dr. (Mrs.) S. S. Barve, Shri. Avinash Ade Dept. of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their excellent guidance and support throughout the research work.

Especially I am thankful to Prof. Anil Mungikar for his help in critical calculations.

My thanks are due to all members of non-teaching staff Shri. V. R. Pawar., Dr. Vaidya, J. P. Deshmukh, R.K. Deshmukh, Mrs. Athalley, K. K. Kulkarni, Ravi Bhingare, Maske, Galkawad, Salve Yunoos, Mrs Mane & Mrs. More of the Dept of Botany for their love, support and help.

I offer special thanks to Mr. Satish Pundkar, Rahul Athwale & Mr. Pradeep Pandit "SP Computers" for his computer expertise, which has enabled this work to be completed in time and Shri. Baburao Dhokne, Photo Artist for excellent photography.

I wish to record my filings of gratitude towards my research colleagues Dr. Madhukar Wadikar, Dr. Udhav Bhale, Dr. Sunita Bharade, Shri. D. K. Hiwale, Shri. Sanjay Kamble, Shri. K. S. Telmore, Miss. Suchitra Ahire, Dr. Umesh Mogale, Mrs. Pushpalata Jadhav, Miss. Afreen Ansari, Dr. Nikhil Gaikwad, Dr. Sayyad Iliyas, Shri. Devidas Kirwale, Dr (Mrs) Arundhati Kothekar, Dr. Sanjay Biradar, Dr. Swami, Dr. Ghangaonkar, Shri. Shivram Khadke, Miss. Josefin, Shri. Asole for their encouragement and timely co-operation during research.

I find words wanting to express my gratitude towards my father in law Shri. Bhauroa Salve & Mother in law Sau. Subhadrabai Salve for their blessings, constant encouragement, moral support and valuable help in all aspects during the course of present research.

I shall be failing in my duty if I not express a word of appreciation to my beloved uncle Shri. Anirudha Pathade, Lecturer in Pali & Buddhism, Milind College of Arts, Aurangabad and Sau. Chitralekha Pathade who has founded the base of my education.
I do not find words to express my sincere gratitude towards my beloved uncle Shri. Prabhakar Nathuji Khandare, who has cherished my life with moral support and constructed the pillars of my educational carrier.

My thanks are due to Shri. S. G. Khillare, forensic laboratory, Aurangabad for his practical help.

I invariably fall short words to my elder brother Shri. Deepak Rajaram Khandare, Sau. Mangal Khandare, my sister Sakarbai Pattebahadur, my brother in law Shri Madhukar Pattebahadur for their love and timely help.

I also express my thanks towards my uncles Shri. Suryabhan Khandare Shri. Gautam Khandare, my cousin Shri. Bhimrao Khandare.

I cannot indite my feelings and thanks to my beloved mother who moulded my life after the demise of my father and exhibited infinite patience all through my education.

Lastly, I put a word of appreciation towards my beloved wife Mrs. Sunanda Khandare for her love, support, suggestions, inspiration & encouragement without which the creation of this scientific work could have been not possible.

Mr. KiranKumar Khandare
