ACKNOWLEDGEMENTS

I owe my first and foremost, love and gratitude to the Almighty GOD for every blessing he has showered on me.

I take this opportunity to express my heartfelt gratitude to my research supervisor Dr. O. Vijaya Sarathi Reddy, Professor & Chairman, Board of studies, Dept. of Biochemistry, for his constant motivation and support throughout the course of this investigation. His immense interest in science and his enthusiastic attitude will be cherished by me throughout my research carrier and through all walks of the life.

I express my deep sense of gratitude to my Teachers Dr. K. Thyagaraju, Professor & Coordinator, M-Pharmacy, Dr. Ch. Appa Rao, Professor & Head, Dept. of Biotechnology, Dr. S.D.S. Murthy, Professor & Head and Dr. M. Balaji, Assistant Professor, of the Dept. of Biochemistry for their support and encouragement during the course of my research work. I also thank Prof. B. Anuradha, Dept. of ECE, S.V.U College of Engineering for her suggestions. I am thankful to all the non-teaching, administrative and library staff of Sri Venkateswara University for their extended help and unconditional support.

I would like to thank Dr. S. C. Basappa, former deputy director, CFTRI, Mysore for his continual support, suggestions and critical comments on the thesis. I extend my special thanks to Dr. Bhavani Shankar, Plant manager, Bacardi-Martini (I) Pvt. Ltd, for their help in the in GC-FID.

I am deeply obliged to Dr. V. Baskaran, Scientist, Dept. of Biochemistry & Nutrition, CFTRI, Dr. K. Rama Lakshmi, Mrs. G. Sulochanamma, Dr. S. Nagarajan and Dr. B. B. Borse Scientists of PPSFT Dept., CFTRI, Mysore, for their guidance and support. I also thank them for their help in some of the experiments.

I thank Dr. R. Siva Sai Kumar (Penn. State Univ., USA) and Dr. A. Ranga Rao (USA) for their timely encouragement and constant help throughout my work.

I also thank my friends Dr. K. Guruswamy, (Netherland) for his moral help during the course of my work, Dr. A. Michael and Mr. P. Samson Surendra, and Dr. H. Vijay Kumar (IISc., Bangalore) for their emotional support.
I would like to convey a sincere and heartfelt thank to my seniors Dr. P. Pradeep (Korea), and Dr. Y. Sudheer Kumar (Canada), Dr. K. Vinay Kumar (USA) my friends Dr. S.A. Nabi, Dr. K. Ramesh, Dr. B. Mallikarjuna, Dr. B. Ramesh, Mr. P. Surendranath Reddy (Switzerland), Mr. D. Subramanyam, Dr. K.P. Srinivas, Dr. Sainath for their constant support and ever-ready to help attitude. I shall always remember all those cheerful moments spent with them.

I deeply acknowledge the co-operation of my lab-mates Dr. P. Rama Mohan, Mr. K. Naresh, Mr. P. Vijay Kumar, Mr. M. Sreedharamurthy, Mr. B. Ramesh, Mr. B. Vijay Kumar, Mr. S. Naga Sivudu, Mr. G. Srikanth, Mr. N. Venu Gopal and other co-scholars in the department for their support during the research work.

I wish to thank Mr. V.R. Naik, Manager, Mysore Fruit Products Pvt., Ltd., Bangalore, for their extensive help in providing mango pulp whenever necessary during the research work.

Credit goes to Council of Scientific and Industrial Research (CSIR), Ministry of Science and Technology, Government of India, for extending financial assistance in the form of SRF, which helped me to pursue my goal with diligence.

Diction is not enough to record my gratitude to my maternal grand parents Sri. D. V. Raghaviah (Late) and Smt. D. Vimala Devi (Late) who constantly encouraged to pursue higher education, and my beloved parents, Sri. S. Titus (Late) and Smt. S. Vijaya Lakshmi, for their acts of loving care, sacrifice, concern and cheerful cooperation throughout my educational career. I profusely thank them for all the benevolence they have showered upon me which is the main source of inspiration behind my Ph.D. work. I express my heartfelt thanks to my elder brother Mr. S. V. David Raju & family and my younger sister Mrs. S. G. Prasanthi & family for their loving cares and help extended to me throughout the period of my work.

I am also thankful to my father-in-law Mr. K. Ramesh & family and my half part Smt. K. Sukanya and my daughter S. Sharon Persis and son S. Benjamin Titus for bearing me throughout my course.

VARAKUMAR SADINENI...
