I have really no words to acknowledge my gratitude towards my respected supervisor and teacher Dr. D. C. Gupta, Department of Chemistry, Atarra P. G. College, Atarra (Banda) and his family member whose relentless efforts to make my path easier in this endeavour with his constant encouragement, valuable discussion and providing necessary library and laboratory facilities to carry out this work. I owe to his blessings and extend my heartfelt regards to him forever.

My sincere thanks are due to Dr. A. C. Nigam, Principal, Atarra P. G. College Atarra (Banda) for the interest shown in the progress of my work and constant encouragement and providing necessary facilities to carry out this work. I also want to express my gratitude to Dr. D. K. Dwivedi, Head, Dr. P. K. Saxena and Dr. S. P. Pandey, Readers Department of Chemistry, Atarra P. G. College, Atarra (Banda) for their valuable suggestions. I also acknowledge laboratory staff of chemistry department for their encouragement, help and affection shown during my research.

I am particularly grateful to Dr. R. K. Shukla Ex-Principal Atarra P. G. College Atarra for his inspiration, encouragement and proper guidance.
I would like to express my sincere thanks to Dr. R. C. Maurya, Reader department of P. G. Studies and Research in Chemistry and Dr. M. R. Maurya, Department of Chemistry, I.I.T. Rooraki for valuable suggestions and to Dr. K. P. Madhusudan Scientist ‘G’ and Head SAIF, CDRI, Lucknow, for providing the facilities for the analysis and recording the spectra of compounds.

I would like to express my thanks to Mr. Praveen Kumar Mishra, Sacred Heart Degree College Sitapur (U.P.) for his valuable suggestions and providing literature during the course of my research work.

My work would never be completed without the kind blessings and wholehearted support of my father-in-law Shri Gyanesh Tripathi, Head, Department of Economics, Metha Science P. G. College Bharwari (Kaushambi) and my mother-in-law Smt. Shanti Tripathi, whose dream is to see the completion of this work. They encourage me time to time for completion of this work. Their kind blessings and wholehearted support gave me strength during my research work.

I also acknowledge my indebtedness to my father Dr. Ram Kishore Shukla, Reader Atarra P. G. College Atarra and my mother Smt. Shobha Shukla to render all possible help and support. The pains they have taken I really can not express in words. The way they had cared me, has been my strength in completion of my work.
I express my heartfelt indebtedness to my husband Er. Shailesh Tripathi for his encouragement, help and affection shown during this tenure. He had been instrumental in solving all the challenges faced during these days.

I also express my cordial indebtedness to other members of my family, and Mrs. & Mr. Sandeep Kumar Mishra for their encouragement, help and support shown during my research work.

I shall be failing to my duty if I do not recognize my baby son Harsh, who’s charming and heart stealing smile has been a source of motivation for me to complete the work.

I am particular thankful to Mr. Vikas Singh, Mr. Pankaj Kumar Singh and Mr. Rajpal Singh, Malti Graphics, Shop No. 53, Raina Market, Company Bagh, Kanpur for typing the thesis neat and clean.
