ACKNOWLEDGEMENTS

The Research Scholar wishes to place on record the following in appreciation to Individuals and Institutions for their help in completion of this Research Study.

At the outset the Research Scholar express his gratitude to the Kousali Institute of Management studies and Karnataka University for providing opportunity to pursue Research work for award of PhD degree in Management. The Researcher also express as his deep appreciation to Dr.A.H.CHACHADI Dean & Director, who has been the Guide for this Research Project, in guiding and bringing focus to the problem of the study. His guidance has been invaluable at different stages of Research work and for making mid course corrections. The encouragement given by him has been motivating factor for completion of this study.

Appreciation and acknowledgement are due to Dr.Subash Professor of Management Studies of Kousali Institute of Management who has encouraged the Researcher during the course of the study. The Research Scholar recalls and appreciates the useful interactions he had with his Co-PhD scholars, Prof.A.S.Vasudev Rao of TAPMI and Prof. V.B. Nandagopal of CBSM Bangalore. Thanks are also due to Prof.B.P.Murall of EDII and Mr.Vinod Gupta Director NIESBUD for the interesting discussions on the subject matter.

Appreciations are due to office bearers of IMTMA, KASSIA & FKCCI. The research scholar acknowledges the useful interactions he had with Managing Director Karnataka Council for Technology Upgradation, General Manager HMT Ltd. and the Joint Director CMTI during the course of the study.

Appreciations are due to librarians of Karnataka University, IIM Bangalore and CMTI Bangalore for their efforts and patience to assist the scholar in making reference to Research works, published materials, papers, books and journals. Thanks are due to industrialists in the field of Machine Tools who have interacted and provided data for the research work.

The research scholar expresses his gratitude to his wife Mrs.Geetha and son Mr. Akshay and Mr.Arujan Das for assisting in data entry work and compilations. Thanks to Mr.Karthik.J who have taken great pains for assisting in compilation of this thesis. Thanks to his Brothers, Sisters, and all family members who have encouraged him during the course of the study. Thanks to Mr. & Mrs. Ramakrishna for their assistance during conduct of this study.

Thanks to the almighty for providing the right environment, opportunity, time and patience to pursue this research work.
