ACKNOWLEDGEMENTS

I consider myself very fortunate to have worked under the able guidance of DR. S.T. NANDIBEWOOR, Reader, P.G. Department of Studies in Chemistry, Karnataka University, Dharwad. I feel short of words to express my deep sense of gratitude and appreciation for his valuable guidance, stimulating discussions and everlasting encouragement throughout the course of this investigation.

I am extremely thankful to Dr. J.R. Raju, Reader, P.G. Department of Studies in Chemistry, Karnataka University, Dharwad for his keen interest, inspiring guidance and valuable discussions, encouragement throughout the course of research work.

I am indebted to my brothers, sisters and my father-in-law for their inspiration and encouragement throughout my educational carrier.

I gratefully acknowledge the facilities provided by Karnataka University, Dharwad during the course of this work. My regards are due to Prof. B.R. Havinal, the Chairman, P.G. Department of Studies in Chemistry, Karnataka University, Dharwad. I am also thankful to Prof. G.S. Puranik, Prof. C.S. Mahajanshetti for their encouragement throughout my research work.

I would like to thank Dr. S.A. Chimatadar for his immense help, encouragement and excellent tracing of figures. I never forget the help rendered by Dr. K. Shailajakumari Kampli, Dr. S.M. Tuwar, G.H. Hugar, S.C. Hiremath and Dr. M.I. Sambrani for their invaluable help in the course of the preparation of this thesis.
I am indeed greatly indebted to the Staff Members of U.S.I.C. Karnataka University, Dharwad for providing facilities and help to carry out the experiments using U.V. and Visible Spectrophotometer and other instruments.

As a research student at the Department of Chemistry, Karnataka University, Dharwad, I have received immense help and encouragement by the many staff, student members and research scholars. I take this opportunity to thank all of them.

Lastly, my heartfelt thanks to my husband Shri. Ashok Shastry and my son Karthik for their inspiration, unfailing co-operation and patience throughout the course of my research work.

DHARWAD

JUNE 18, 1993.

(V. A. MORAB)
