ACKNOWLEDGEMENTS

It gives me immense pleasure to record my sincere gratitude and indebtedness to:

Dr. S.V. Menzinkai, K.Sc.(Hon.), Ph.D., U.I.C. (Lond.), Dip (Agri)(Reading) for suggesting the problem, for his valuable guidance and his unfailing interest in carrying out the studies;

Dr. E.S. Kedam, Ph.D., I.N.I. for valuable suggestions particularly with regard to the inheritance of quantitative characters;

Dr. R. D'Cruz, M.Sc., Ph.D. for working out the linkages;

Prof. V.B. Chevan for permission to prosecute for studies and encouragements and

Shri. B.B. Cheudhari and other Plant Breeders in-charge of the Agricultural Research Station, Nugad (Dist - Dharwar) for providing necessary facilities to carry out the present investigations.

(C.V. Bhula Chavan)
