ACKNOWLEDGEMENT

It gives me great pleasure to acknowledge the kindness of my teacher-guide Dr. G. S. Dikshit, M.A., Ph.D., from whose help and advice, I have benefited. It was he, who suggested to me this topic for research. Without his interest and advice, it would have been an up-hill task for me to complete this dissertation. Hence, I express my profound gratitude to him.

I am thankful to Prof. A. Menezes for his kind suggestions in finalising my thesis. My thanks are also due to Sri L. V. Ghargi, Assistant Librarian, Karnatak University and Sri M. S. Yabannavar, K. R. I., Dharwad, for their timely help in my research. My special thanks are due to Shri S. H. Ladwa, K. R. I., Dharwad, for his generous help and kind interest in my thesis. Shri R. R. Deshpande, Artist, Dharwad, deserves my thanks for preparing the maps.

I also record my thanks to my colleagues and friends, who ever since, the inception of my study, offered me help.
