ACKNOWLEDGEMENT

It has been my good fortune to have been associated with an young researcher and teacher Dr. T.R. Goudar M.Sc., Ph.D. Reader in Radiochemistry Karnataka University Dharwad who brought home to me the meaning of research and education, without his valuable guidance and indefatigable spirit, this thesis would never have been possible. My thanks therefore must go first and foremost to my Research Guide Dr. T.R. Goudar. I thank Mrs. Deepa T. Goudar for her good wishes.

I owe my special debt to Prof. N.S. Biradar a well known researcher, and Dr. S. Anand of Delhi for their encouragement and blessings.

I take this opportunity to express my thanks to Prof. M. Madaiah Chairman Department of Chemistry, Karnataka University for providing facilities during the course of this research.

I am very much beholden to Prof. V. B. Badiger, Prof. E. S. Jayadevappa, Prof. A.S.R. Murthy, Prof. S. V. Patil, Dr. K. S. Math, Dr. T. M. Aminbhavi and Dr. (Mrs) Narsubai and Prof. C. S. Mahajanshetti, Dr. Vasant Ralchur for their encouragement.

I am also indebted to my respected Principal B. C. Hosaker, P. C. Jabeen Science College Hubli and to Chairman and Board of Management, K. I. E. Society Belgaum and U. G. C. Delhi and authorities of Karnataka University Dharwad for giving me permission and providing all facilities for my research work.

I am thankful to Prof. Ramachandra Reddy, Dr. T. D. Bharamgoudar, University of Agri. Sc. Dharwad, for their help in carrying out microbial tests.

I record my sincere gratitude to Dr. S. N. Astaputre Dr. V. L. R. Goudar Prof. S. P. Chikkop, Dr. P. C. Rotti, S. A. Nayar, F. M. Ansari, K. G. Mathad and my co-workers Prathosh Havali, G. S. Nadagouda for their unforgettable help in carrying out my research.

I owe a special thanks to Dr. U. Masood Parveez a research scholar to his dedicated help in setting and carrying out biological experiments. Working with his association is a cherisable memory for me.

My heartfelt thanks are due to my close associates Prof. S. S. Kubasad and research scholars D. M. Kotturshettar S. B. Sonali, G. M. Mulla, A. M. Mrirajkar, K. Sivamurthy, S. P. Hegde, S. B. Kalyani, V. R. Kerur, S. S. Joshi and Jahagirdar Girsal in shaping this thesis.

I wish to acknowledge particular debt to Prof. B. S. Akki and to very special group of men- my College colleagues and B. K. Susangi...
and P.C.Akkihallimath for their co-operation during my research.

I am extremely grateful to my brothers Ramesh Shindagi, Siddanna Shindagi and co-brother Prof.Veeranna Kalyanshetti and Father-in-law S.V.Morabad and my all relatives and friends for their blessings and encouragement and co-operation.

My heartfelt thanks to my wife Smt.Seema and my children Vinay, Vandana and Satish for their constant encouragement and patience in carrying out this research.

SHRIKANT M. SHINDAGI
Dept. of Chemistry,
P.C.Jabin Sc. College,
Vidyanagar Hubli.
