A. Original research papers

B. Research Papers presented in symposia/ Seminars/ Conference

2. Presented a research paper (Poster) entitled “Screening of Chonemorpha fragrans extracts for exploring biological activities” in National Seminar on ‘Plant Biodiversity for Sustainable Development’ organized by Department of Botany, University of Pune from 10th -12 March 2011.

3. Presented a research paper (Poster) entitled “Induction of hairy roots in Chonemorpha fragrans (moon),alston.” in National Symposium on, ‘Recent Advances in Plant tissue culture and biotechnological researches in India’ at Bikaner from 4-6 February 2011.

4. Presented a research paper (Poster) entitled “Exploring metabolome of a medicinally important plant Chonemorpha fragrans, (Moon) Alston” in International conference on ‘Biodiversity and its conservation’, held at Modern
College, Shivaji Nagar Pune, from 28th -30th Jan 2011.

5. Presented a research paper (Poster) entitled “Exploring antimicrobial and antioxidant potential of *Chonemorpha fragrans*” in Seminar on emerging trends on biodiversity management at Department of Botany (SAP-DRS II), Pune University

6. Presented a research paper (Poster) entitled “Evaluation of antioxidant and antimicrobial activity from *in vivo* and *in vitro* extracts of *Chonemorpha fragrans*- An endangered medicinal plant” in Seminar on ‘Plant Secondary Metabolite Production- Emerging Technologies’, at Pune University from 8-9 January 2010, held at Department of Botany, University of Pune, Pune 411007
