I take this opportunity with all humbleness to express my deep sense of gratitude and indebtedness to Dr. M.F. Karennavar, M.A., Ph.D. for his inspiring guidance, keen interest and encouragement throughout the course of the research work. His critical review with thoughtful appraisal of the manuscript has greatly enhanced the quality of this thesis.

I am especially grateful to Dr. Indrapal, Head of the Geography Department, University of Jaipur, Rajasthan, for making valuable suggestions at the time of reference work. My humble thankfulness is due to Dr. M.R. Choudury, Professor and Head of the Geography Department, University of Buradwan, West Bengal, for making me aware of the modern developments in the subject through discussions. I am particularly thankful to Prof. M.S. Honrao, former Head of the Department of Geography, and Dr. N.C. Vijayaraj, In-charge Head, Department of Studies in Geography, Karnataka University, Dharwad for providing facilities in the department.

My sincere thanks are due to Shri M.R. Vannur, M.A., for his help at the time of Cartographic work and to
Mr. C.S. Patil, B.A., B.Com., for the Photographic work.
I am thankful to the research scholars of the Department, namely Messrs. S.S. Hiremath, S.R. Midagundi, Jyoti Jagadeesh, V.C. Hiremath and I.S. Murkatnal for the valuable help in enabling me to complete this work. My thanks are due to Shri G. Duarte for going through the manuscript.

I am indebted to the following Government, Semi-Government Departments and other concerns at Davangere and Harihar for placing necessary records, maps and data at my disposal and giving me all the help:

Davangere Municipal Council,
Harihar Municipal Office,
Assistant Director of Town Planning,
Executive Engineer, P.W.D.,
Inspector of Factories,
Editors of News Papers,
Assistant Education Officer,
Karnatak Road Transport.

My thanks are due to the industrial owners and village panchayats for supplying necessary up-to-date data.

My thanks are also due to one and all who have rendered directly and indirectly their valuable services.
and extended their co-operation as and when needed. I have made use of the Libraries of Karnatak University, University of Jaipur, Aligarh Muslim University School of Architecture and Town Planning, New Delhi. I am indebted to the authorities of these institutions for the kind help and courtesy extended to me during my visit.

Finally, I record my special debt of thanks to Shri S.S. Wodeyar, Vice-Chancellor, Karnatak University, Dharwad and my brother Dr. B.K. Wodeyar, Technical Studies, Post-Graduate Centre, Nandihalli, for providing the environment, without which this work would not have been possible.

The financial assistance from University Grants Commission is gratefully acknowledged.
