ACKNOWLEDGEMENT

It is my bounded duty to express my deep sense of gratitude and indebtedness to my research supervisor Dr. S. I. Hugar, Professor and Chairman (Rtd.), Department of Studies in Geography, Karnatak University, Dharwad for his ad infinitum guidance, unstinted encouragement and inspiring discussion throughout this work.

It is my proud privilege to express my deep sense of gratitude to Dr. N. C. Vijayraj, former chairman, Department of Studies in Geography and I also express my heartily thanks to late Dr. Y. M. Madar, Professor of Geography, Karnatak University, Dharwad for their valuable and amicable suggestions that invigorated me to carry out this work. I extend hearty thanks to Dr. S. S. Naragal, Professor and Chairman, Department of Studies in Geography and also Dr. S. R. Kidadugundi, Professor and former Chairman, Department of Studies in Geography for providing me the required research facilities in the department. I also acknowledge with thanks receipt of the required financial assistance to me by the university authorities in order to carry out this research work.

I am thankful to Dr. H. B. Wastkar, Dr. H. Y. Kamble, Dasharat Albal, Dr. Sarjoo Kalkar, Dr. S. I. Biradar and Sri. C. P. Nadigeri for their constant encouragement and co-operation extended to me till the completion of this work.

I must also express my sincere thanks to all the officials particularly, the Directorate of Census Operations, Bangalore District Statistical Office, Zilla Parishat, District Marketing Office, Public Works Department and Agricultural Produce Marketing Committee, Raichur who have provided the necessary information/data for carrying out this work.
My hearty thanks are due to Mr. H. B. Hawaldar and Mr. H. B. Sakri who have assisted me to carry out the present work. Special thanks are due to Mr. Ravind and Shri. S. Y. Hipparagi for their consistent assistance and impressive cartographic and neat computerised photo work. I am also grateful to Mr. Shashi Surpali for his neat and timely word processing work. I must thank Prof. P. I. J. Matchachan for having gone through the manuscript and made the necessary corrections.

I shall be failing in my duty if I do not express heartfelt gratitude to my beloved wife Smt. Tejaswini, Mulimani, who was a constant source of inspiration in completing this work. I owe my thanks to my lovely son Mr. Vishal and daughter Shreyanka.

Last but not least my sincere thanks are due to many individuals and organizations for helping me directly or indirectly at the time of field work which enabled me to carry out this present work successfully.

Date: 26/5/82
Place: Dharwad.
