ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude and indebtedness to Dr.B.K.Wodeyar, Prof. of Geology, Kannatak University, Dharwad, under whose invaluable guidance the present work is carried out. I am also indebted to him for his constant inspiration and meticulous analysis of the manuscript.

I accord my sincere thanks to the present Chairman and former Chairmen, Department of Studies in Geology, Kannatak University, Dharwad, for providing me the facilities to carryout research work. All the teachers in the department helped and encouraged at every stage of my research work my gratitude to all of them. My thanks are also due to non-teaching staff of the department for their cooperation and support.

I am highly grateful to officers of the District Statistical Office, Department of Mines and Geology, Gulbarga and Karnataka State Remote Sensing Center, Bangalore, Government of Karnataka, for providing me necessary well statistics, observation wells and remote sensing respectively.

It is my proud unique privilege to express my deep sense of gratitude to Shri. M.C.Reddy, Superintending Hydrogeologist, Central Ground Water Board, Southwestern Region, Bangalore, for his expertise suggestions and advice in carrying out my research.

I am grateful to Shri. C.S.Ramasesha, Regional Director, Shri. K.Keerthiseelan, shri.C.S.S.Sharma, Shri.T.M.Hunse, Superintending Hydrogeologists and Shri .M.K.M.Rao , Central Ground Water Board, Southwestern Region, Bangalore for their suggestions, cooperation and support.

I am grateful to Shri.J.S.Sharma, Officer-Incharge, Shri.S.V.Chougula (Rtrd), Scientist'D'OIC, Shri.G.S.Deshpande, Scientistand Shri.T.Bharatbhushan, Central Ground Water Board, Belgaum for their encouragement, cooperation and support. My sincere thanks to Shri.B.V.Chinagudi, Assistant Geophysicist, Smt.N.D.Patil, State Unit Office, Central Ground Water Board, Belgaum, for helping me in interpretation of VES
data and drawing of maps respectively. I am thankful to non-teaching staff of State Unit Office, Belgaum for their cooperation and support.

I am thankful to Dr. P. R. Reddy, Head, Geology Division, Shri G. Sreenivasulu Reddy, Scientist, NRSA, Department of Space, Hyderabad, for their kind help in providing necessary data and interpretation of remote sensing data. I express my thanks to Shri Parooti, System Engineer, NRDMS, and Belgaum for helping me in usage of MAP INFO software in digitization of maps.

I am grateful and thankful to Dr. Jagadeesh T. Gudagur, lecturer in Geology, Karnataka Science College, Dharwad, for his constant help and cooperation throughout my thesis, especially in chemical analysis and usage of QBASIC HYCHEM, Chemical software programme.

I express my thanks to Dr. B. K. Purandhara, Scientist 'C' for helping me in soil analysis and also thanks to Shri Dilip Dubrude, Scientist 'B' and Shri Babu, National Institute of Hydrology, Hard Rock Regional Centre, Belgaum, for their help in digitization and preparation of Digital Elevation Model through ILWIS software programme and other computer related work.

I owe immeasurable debt to my parents, wife, son and daughter and brothers and sisters in their cooperation, constant encouragement and keen interest shown all through research work bearing the inconvenience with smile.

Date: 9.9.04.
Place: Dharwad.

(D. P. Reddy)
