Acknowledgement

It brings me an immense pleasure to acknowledge innumerable people, from whom I have received unstinted help, guidance, support and assistance in the course of my investigation and completion of my research work. I can never repay their debt. I can only record my gratefulness to all of them.

First and foremost, I must place on record of my profound sense of gratitude to my beloved teacher, well wisher and respectable guide Dr. (Ms.) B. Hymavathi Reddy, Reader (Rtd.) Department of studies in Geography, Karnataka University, Dharwad, who inspired me to undertake this investigation and guided me at every stage. Her constructive suggestions and comments not only helped me in completion of this research work but also laid sound foundation for further research work.

I am extremely grateful to the Karnataka University, Dharwad for providing the financial assistance (scholarship) to complete the research work.

I thank to Dr. S. S. Naregal, Professor and Present Chairman Department of Geography, Karnataka University, Dharwad, Dr. S. R. Nidagundi, Professor and former Chairman, Dr. S. I. Hugar (Rtd.), Former Chairman and Dr. A. A. Mulimani for having extended all the facilities and co-operation to carry out of this work.

I am grateful to late Dr. Y. M. Madar, my teacher and Professor of Geography who evinced keen interest and gave encouragement and help from beginning of my research work till his untimely demise.

I am extremely grateful to Dr. S. I. Biradar, Reader, Department of Studies in Geography, Karnataka University, Dharwad, who evinced keen interest in my studies right from P.G. level to date, and for his guidance
and support. Eventhough he was very busy, he spent his precious time and went through my thesis and made necessary suggestions. I am extremely grateful to Prof. Usha Murthy, Principal (Rtd.) Karnataka Arts College, Dharwad and Syndicate member, Karnataka University, Dharwad for her encouragement, support and guidance. Even though she was very busy, she spent her precious time for making necessary corrections.

I am also thankful to the non-teaching staff of the department particularly Sri. Mahantesh Pujar, Sri.Holeyannavar and Sri.Girish Yaragatti for having helped wherever I needed it.

I am thankful to the staff of the Students Bureau and the staff of Karnataka University Library, Dharwad for their assistance, encouragement and necessary library facilities.

I owe special debt of gratitude to the present and past Hubli-Dharwad Municipal Corporators, Senior Citizen of Hubli-Dharwad, the staff of Hubli-Dharwad Municipal Office, Urban Development Authority, District Statistical Office of Dharwad, Public Works Department, National Highway Office, Karnataka Power Transmission Corporation Limited, (K.P.T.C.L), Director of Postal Department, Zilla Parishat Office, Urban Water Supply and Sewage Department, Telephone Exchange Office, Office of the Deputy Director of Public Instruction, Block Education Office, Joint Director of Collegiate Education, Director of Industrial Centre, Health Offices, City Survey Office, National Informatics Centre, Economic and Population Research Centre of Dharwad and many other from Hubli-Dharwad who had extended all the co-operation during my field survey, and data collection.

I am grateful to Dr. L. T. Nayak. I am also thankful to Sri. A. B. Kamble and Sri. S. S. Motebennur, Lecturers in Geography, Karnataka Science College, Dharwad #Dr. M. N. Meeranayak. I am grateful to
Sri. I. A. Mulla Lecturer in Geography, Anjuman College, Dharwad for encouragement and help to preparing of this thesis.

I am thankful to Sri. M. S. Angadi staff of the Karnataka University, Dharwad, who has given encouragement and help in preparing this thesis.

I am thankful to Dr. Karemnavar (Rtd), Department of Studies in Geography, Karnataka University, Dharwad for his suggestions.

I express my thanks to Dr. Sannasiddanavar, Sri. V.S. Dhanennavar, Sri. M.L. Uppar, Sri. Ravin Metai Thangiam, Sri. Yambtunal, Sri. Wagmore, Sri. Dyapvannavar, Sri. Mallizarjun and Sri. Ramanna research students and my friends for their co-operation and help to complete this work.

I also thank Sri. Jagmohan Singh, Lecturer in Economics, Mallkarjun College of Goa, for his help and encouragement.

I am very much thankful to Sri. Rudresh B. Sattur, VAIBHAV GRAPHICS, Dharwad for neatly typing and also for excellent work in Cartography and in preparing this work.

At this juncture it is my esteemed duty to reserve my high regards to my uncle Ayyappa and aunt Laxmibai and uncle Sri. Sanju Mulimani and my cousin Shaila, Shobha and sisters Suma & Kishori I am thankful to my better half Smt. Annapurnadevi (Teacher) financial assistance and encouragement, without whose help it would not been possible to complete this investigation and thesis.
