ACKNOWLEDGEMENT

For all the kind encouragement, sustained interest and affection that I received throughout my tenure as a research student in this department, I express with a deep sense of gratitude and with great pleasure, my heartfelt thanks and indebtedness to my research supervisor Dr. M.V. Kulkarni, Reader in Organic Chemistry, Department of Chemistry, Karnatak University, Dharwad. I indeed consider myself to be extremely fortunate to have come under the shelter of his scholastic arena, intellectual magnetism, awe inspiring personality matched by a rare combination of human simplicity.

I sincerely thank Prof. B.G. Pujar, present chairman; Prof. B.R. Havinale and Prof. L.D. Basanagoudar, former chairmen, Department of Chemistry, Karnatak University, Dharwad for providing me the necessary facilities to carry out this investigation.

I simply fumble for words to express my heavy debt of gratitude towards my teacher Dr. V.D. Patil, Reader in Organic Chemistry (Retd.) who instilled in me the feeling for going into research and he was instrumental in making me to complete the task in stipulated time.

I am extremely grateful to Dr. Puttaraja, Dept. of Physics, Bangalore University for providing single crystal analysis data of my research samples. I can never forget the help rendered by Prof. Kattesh V. Katti, Dept. of Radiology & Research, Columbia, U.S.A., Dr. K.G. Upadhyya, Pharm. Eco. Labs, Foster city, U.S.A., Dr. R.K. Tikare, Duphar-Interphran ltd. Thane, Dr. H.S. Bevinakatti, Senior scientist, I.C.I. Thane, Dr. Kalbandkeri, Indal Belgaum, Dr. R.V. Joshi, Dr. K.S. Jagadish S. J. Engg. College, Mysore, Dr. Kamath, Bangalore University for helping me by way of providing spectral data of my research samples. Thanks are also due to my friends Messers T.T. Upadhyya, S.S. Hegde and K. S. Nagabhushan, Miss M.V. Uma, Bangalore for sending spectral data promptly.

I would like to express my thanks to Dr. (Smt.) Pratibha Vaidya, K.M.C. Hubli for her help in carrying out the anti-inflammatory activity of some of my research samples. I wish to record my thanks to Drs. B.M. Swamy and Dr. G.R. Hegde for allowing me to carry out antimicrobial and anti algal activity study.

I thank Shri Deshapande of USIC, K.U.D for his help in recording UV spectra of my compounds. Thanks are also due to the RSIC-IIT, Madras, RSIC-IIT, Mumbai, CDRI-Lucknow,CPRI, Bangalore for spectral and analytical data.
I take this opportunity to thank my teachers in particular Prof. V.B. Mahale and Dr. V.K. Revankar for their help in carrying out thermogravimetric analysis of my samples; Dr. S.T. Nandibewoor for kinetic data interpretation and Dr. L.D. Basanagoudar, Dr. (Smt) B.V. Badami and Dr. V.L. Kallapur for their affection, concern and encouragement to pursue this investigation.

I have absolutely no words to express my deep sense of gratitude to Dr. (Mrs) G.M. Kulkarni, Research associate (U.G.C.) for her everlasting interest, moral support and encouragement throughout my research tenure. I take this privilege to thank my teacher and now my research colleague Shri. Imtiyaz A. Khan, Lecturer, G.C. College, Ankola and Shri. Hiralal Y. Merwade, Lecturer, Bangoor Nagar College, Dandeli for their constant encouragement and help.

It is indeed a pleasure to recall my memory of some of my friends like Dr. A.G. Kamat, Dr. I.M. Khazi, Dr. H.T.S. Phayde for their considerate attitude and helping nature during the early years of my research.

I am highly indebted to my friends and research colleagues, Dr. Ullas N. Shetti, Ramachandra S. Naik, M.S. Joseph, Rajesh Bhat, A.S. Shyadligeri, K. Dhananjay and Nagaraj Katagi who were always on their feet to help me in one or the other way. Thanks are also due to other research colleagues, Messers H.G. Naik, R.R. Kavali, S.A. Patil, L.I. Hunasikatti, P.L. Timmanagoudar, V.N. Ankolekar, H.M.V. Swamy and Vinayak Naik for their kind co-operation.

I will be failing in my duties if I don’t acknowledge the co-operation extended by Messers R.K. Hegde, Anand Huddar of Font Gallery and other Font-Gallery pals, who transformed the several versions of the scribblings through typescripts into beautiful manuscripts which ended up as the chapters that follow.

On the threshold of my achievements only thing now remains is to be grateful to my family members whose blessings and sacrifice and moral backing made this endeavour of mine a reality. I am very much grateful to my brothers Mr. Ravindranath & his family, Mr. Vivekanand & his family and Mr. Vinod and to my sisters and their families Smt. Shobha-Shri. Bhaskar M. Nayak, Smt. Bharati-Shri. Subhash Y. Naik, Smt. Rajani-Shri. Baba M. Naik and Miss. Vandana.

Finally, I remain indebted to those who inspired me with love and affection.

December 20 1996
Dharwad.

Kiran Y. Anklekar.
