ACKNOWLEDGEMENT

I am very much grateful to Dr. S.R. Devadasan who provided me the problem of research and for his valuable guidance throughout the period of this doctoral work. I am thankful to the interview committee of PSG College of Technology, for selecting me to undertake this doctoral work on Part-Time basis. I am thankful to Dr. P. Radhakrishnan, the then Principal at PSG College of Technology, Coimbatore who approved my final admission as a Ph.D. scholar of PSG College of Technology.

I wish to express my sincere thanks to Dr. P. V. Mohanram, HOD, and Mechanical Engineering for his constant encouragement and support provided during the research work. I would like to express my deepest gratitude to Dr. S. Vijayarangan, former Principal at PSG College of Technology, for his valuable suggestion.

I express my gratitude to Dr. R. Rudramoorthy, the Principal, PSG College of Technology for his constant encouragement, unwavering support and for providing all the necessary facilities to pursue my doctoral work.

I am thankful to the undergraduate and postgraduate students of PSG College of Technology who helped to collect data for validating this doctoral work. I am thankful to all my friends and the teaching and non-teaching staff members of PSG College of Technology who helped me directly and indirectly to complete this doctoral work. I am unable to present the list containing their names here, as it is very long.

I thank my parents, my wife Hema and my son JaiAditya for their love and tolerance.

Above all, I thank the Almighty who stood by my side in facing all the challenges faced by me while carrying out this doctoral work.

S. P. Vendan.
