ACKNOWLEDGEMENT

I express my profound sense of gratitude to my guide Dr. D.G. Dhuley, Professor of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, under whose able guidance this work has been accomplished. His personal interest, constructive criticism and perpetual inspiration have been of great help throughout the course of the work.

I am grateful to Shri. Raosaheb Jamkar, President, Local Governing Council, and Shri. S.N. Karmade, Principal, Shri. Shivaji College, Parbhani for their constant encouragement and kindness.

My thanks are due to Dr. D.V. Jahagirdar, Professor and Head, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his kind permission to avail the laboratory facilities. I also thank Dr. T.K. Chondhekar, Shri. S.R. Sonone, Dr. Ahmed Zaheer, Dr. P.M. Davne, Shri. Kailash Aucharmal and Dr. H.P. Bhagat for their valuable Co-operation during my research work. I would like to express my sincere thanks to Shri. T.K. Khedkar, Head, Department of Chemistry, Shri. Shivaji College, Parbhani and all the staff members of the Chemistry Department for their encouragement to complete my research work. I am also indebted to Mrs. Dhuley for her motherly treatment and encouragement during my research work.

In these moments of joy and fulfilments of my desire I am short of words in thanking Dr. Milind Ubole, Lecturer, Vasantrao Naik College, Aurangabad for his constant help and brotherly treatment during the progress of my research work.
I take genuine pleasure in keeping on record my gratitude to my brother Ishwar, his wife Sow. Shubhda, their son Amit and daughter Saily and Shri D.B. Mudgalkar, Shivkumar Lathkar for their Co-operation and encouragement in my endeavour.

I owe heartfelt thanks to my wife Sow. Mangala, Son Venkatesh, daughters Kirti, Priti and Bhagyashree without whose co-operation this work could not have been expedited.

I would like to express my thanks to Shri. Nitin Nikam for his punctual and accurate typing of the thesis.
