ACKNOWLEDGEMENTS

I owe my vast indebtedness to my research guide Dr. V.S. Lomte, Professor and Director (BCUD), Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his patient guidance, searching queries, mature judgements and helping spirit without which it would not have been possible for me to complete this work. I am fortunate enough to be benefitted from his scholarly guidance.

I am highly thankful to Dr. B.N. Pande, Head of the Department of Environmental Sciences and Dr. S.B. Wagh, Professor for their kind help and encouragement and also providing me with all laboratory facilities.

I gratefully acknowledge my gratitude to Dr. S.P. Zambre for his valuable suggestions and help during the tenure of this research work.

I find no words to express my feelings towards Dr. Masarrat Sultana. I deeply remain indebted to her for the co-operation and invaluable encouragement and help extended at every stage of my research work.

I would be unjust if I neglect to acknowledge two persons Dr. Raju Phalak, Principal People's College, Bhusawal and Dr. G.P. Wani who contributed a lot to my professional development.
It is with great pleasure I record my willing assistance rendered by Dr. M.B. Muley, Dr. Anil Pardeshi, Dr. Meenakshi Deshmukh, Dr. Shailaja Patil, Dr. B.B. Waykar, Dr. T.G. More, S.D. Chaudhari and Madhuri Patil during various phases of this investigation.

I take this opportunity to acknowledge my sense of gratitude to my friends Dr. S.R. Thorat, Dr. Yunus Khan, Shaikh Ferox, Sanjay Yadav, Asmita Daspute Mrs. Jadhav S.D., Mrs. Patki, A.D. Dhimdhine, T.P. Chavan and Pratap Garje.

I express my special thanks to my beloved parents Tulshiram D. Chaudhari and Nirmala Chaudhari, uncle Prof. P.D. Chaudhari and aunty Alka Chaudhari, sister Swapna Chaudhari and brother Lalit Chaudhari for generating me a perennial interest in higher studies for taking keen interest in my work from the beginning.

Lastly I thank all my friends and non-teaching staff, Department of Environmental Sciences, Dr. B.A. Marathwada University for helping directly or indirectly during the period of my research work.
