ACKNOWLEDGEMENT

I take this great opportunity to express my thanks and deep sense of gratitude to my respected guide, Prof. Yeshwant K. Khillare, Head, Department of Zoology, for his invaluable guidance, constant encouragement and inspiration. Words are inadequate to express thanks and valuable suggestions and moral support in all respects and intimate fraternal love during this research work, without which this work would never have been possible.

There are inadequate words to acknowledge my sentiments about my father Mr. Manchu Kisan Jadhav and Mother Sow. Ladhakbai Manchu Jadhav who gave me the opportunity to learn and do research in very adverse circumstances. They remained constant source of encouragement and inspiration during my academic career. I also express my deep sense of gratitude towards my younger brother Rajendra.

I express my deep sense of gratitude and extreme thanks to my research colleague Mr. Vinod R. Ragade for his instantaneous cooperation and help during this research work. My thanks are also due to Mr. Pramod Rokade for his well wishes and co-operation for this work. I also acknowledge my thanks to Dr. V.R. More for his necessary cooperation and encouragement during this work. I am also thankful to my senior collegague Dr. Pramod Davane for his necessary suggestions and encouragements during this research work.
To complete such a hard work of highest academic qualification, lots of inspirations and moral supports from well wishers goes a long way in sparkling the enthusiasm and stimulation. In this regard I am thankful to my friends Mr. Bapu Pawar, Mr. Laxmikant Kamble, Ravi Patil, Venkatesh Bhandolikar, Raju Salunke, Rupendra Bhagde and Pramod Jaibhaye and Prof. B.G. Pawar Dept. of Physics, Milind college of science for his special co-operation and encouragement during the work.

I express my special thanks to my intimate friend Mr. Ganesh Khillare for his affection and support.

My thanks are also due to Prof. G.D. Adhe and Prof. S.V. Patil and Pradhan Rathod.

This acknowledgement would not be completed without the name of my senior officer, Mr. R.S. Adhav Regional Officer, Maharashtra Pollution Control Board, Navi Mumbai. I have great sense of gratitude towards him for his encouragement and valuable co-operation.

My thanks are also due to Mr. Deepak Nikam, (Satya Computer, Hudco) for his excellent printing.

At last but not least, I thank to all those who directly and indirectly helped me during research work.

ARJUN M. JADHAV
