</table>
3.9 Area irrigated under different crops in Solapur district in 1960-61 and 1990-91.

3.10 Talukawise index number of irrigated area in Solapur District 1960-61 to 1991-92 (Base year 1960-61=100)

3.11 Growth rate of population since 1901 to 1991 in Solapur district.

3.12 Talukawise population growth rate during 1961-91.

3.13 Statement showing different types of landuse density in Solapur district (1961 and 1991)

3.14 Rural population pressure on agricultural land in Solapur district (1961 and 1991)

3.15 Talukawise per capita cultivated area in Solapur district (1960-61 and 1990-91)

3.16 Talukawise sex ratio in Solapur district (1961 and 1991)

3.17 Talukawise literacy percentage in Solapur district (1991)

3.18 Talukawise distribution of livestock in Solapur District (1961 and 1992)

3.19 Statement showing percentages of drought force and milch stock to the total livestock (1961 and 1992)

3.20 Talukawise pressure of Bovines units in Solapur District (bovines units per 100 hectares of cultivated area)- 1961 and 1992

3.26 Primary Agricultural Credit Societies in Solapur District as on 30-6-1992.

3.28 Statement showing length of Road according to type of surface in Solapur District.

4.3 Volume of change in landuse from 1960-65 to 1987-92.

4.4 Statement showing landuse efficiency in Solapur District (1960-65 and 1987-92).

5.2 Index numbers of area of agricultural crops in Solapur district 1960-61 to 1991-92.
5.3 Percentage change in area 1991-92 over 1960-61.
5.4 Changing cropping pattern in Solapur district.
5.6 Change in number of crops in the combination in Solapur District.
5.7 Changes in crop concentration in Solapur district (location quotient).
5.8 Changes in crop diversification in Solapur district.
6.1 Annual average trend rates of production judged by three years 1962-63 to 1991-92 of selected crops in Solapur district.
6.3 Index numbers of production of selected agricultural crops in Solapur District 1960-61 to 1991-92.
6.6 Three yearly moving averages of yields of selected agricultural crops in Solapur District 1960-61 to 1991. (yield in kg.) yield of sugarcane in M.T.

6.7 Index numbers of yield of selected agricultural crops in Solapur District, 1960-61 to 1991-92.

6.9 Talukawise trends of yields of Selected crops

Talukawise trends of yields of selected agricultural crops in Solapur District, 1960-65, yield in k.g.

6.11 Talukawise overall productivity of selected food crops.

7.2 Villagewise distribution of livestock in Karmala taluka. (Selected villages.)

7.3 Villagewise progress in farm machines in selected village of Karmala.

7.4 Trends in general landuse in selected villages of Karmala taluka.

7.5 Trends in area under different crops in selected villages of Karmala 1990-91 and 1994-95.

7.6 Villagewise trends in percentage of net irrigated area to net area sown during 1990-91 and 1994-95.

7.7 Villagewise distribution of livestock in Madha (selected villages).
7.8  Villagewise progress in farm implements in selected villages of Madha.  434
7.9  General landuse of selected villages of Madha.  437
7.10 Trends in area under different crops in selected village of Madha.  441
7.11 Statement showing the index numbers of irrigation seeds, agricultural implements chemical fertilizers to net sown area. 1987-92.  450
