Acknowledgements

I would have never been able to finish this study without the support, patience and guidance of the following people. It is to them that I owe my deepest gratitude.

To my guide Dr. K. R. Vasuki, for accepting me as his student. My heartfelt thanks to him for his invaluable timely suggestions, advices in suggesting problems and in their solutions, for his patience and encouragement throughout my research work, which made me to complete this study. This thesis would not have been possible without him. I take this opportunity to thank his family members for their moral support, kindness and encouragement.

I would like to express my sincere thanks to my employers Sri Jayachamarajendra College of Engineering, NIE Institute of Technology, Mysuru and Coorg Institute of Technology, Ponnampet, for their constant support towards the successful completion of this work.

I am highly indebted to Prof. S. Bhargava and Prof. Chandrashekar Adiga, Department of Studies in Mathematics, University of Mysore, Manasagangotri, Mysuru for their valuable suggestions throughout my tenure.

I greatly acknowledge Dr. Shaun Cooper, Massey University, New Zealand, Dr. Srivatsa Kumar B R, Manipal University, Manipal and Michael Somos for their valuable suggestions, encouragement and support.

To all my teachers, staff of Department of Studies in Mathematics, University of Mysore, Manasagangotri, Mysuru for their constant encouragement and suggestions throughout my tenure.
My special thanks to Vanitha A and Surekha M S, for their valuable help, suggestions throughout this period, and patiently proof reading this thesis.

I wish to express my thanks to G Sharath and Ranjitha Kumar for their help in correction and typesetting of this thesis. I am thankful to all my fellow research friends of the Department of Studies in Mathematics, University of Mysore, Manasagangotri, Mysuru, for their help throughout my tenure.

Finally, I would like to thank my parents Haleshappa R G, Shanthamma R G and brother Chandrashekhar R G. None of this would have been possible, without their blessing, patience, love, unconditional support and emotional encouragement. My sincere thanks to all those who have helped me directly or indirectly in the successful completion of my research.

Mysuru
