ACKNOWLEDGEMENT

The author expresses sincere thanks to his guide Dr. A. Sethurathnam, Professor and Head, Department of Civil Engineering, Coimbatore Institute of Technology, Coimbatore, for his timely, invaluable help to complete the work, painstaking involvement and guidance at each and every stage of the research work and in shaping up of the report.

The author is immensely grateful to Dr. A. R. Santhakumar, Professor, Department of Civil Engineering, Indian Institute of Technology, Chennai, for his encouragement and critical comments throughout the work, valuable suggestions and guidance at each and every stage of the research work.

The author records his deep gratitude to Dr. R. Prabhakar, Principal, Coimbatore Institute of Technology, Coimbatore, for his encouragement, support and permitting him to carry out the experimental work in the Structural Engineering Laboratory, Coimbatore Institute of Technology, Coimbatore.

The author expresses his sincere thanks to the Management and Director Dr. S. R. K. Prasad, Coimbatore Institute of Technology, Coimbatore for providing all necessary facilities for completing the research work.

The author expresses his sincere thanks to Prof. E. Ramasamy, Administrative Officer, Coimbatore Institute of Technology, Coimbatore, for his constant help and encouragement in all stages of the work.

The author also expresses his sincere thanks to Dr. M. Inbasakaran, the former Head of Civil Engineering Department, Coimbatore Institute of Technology, Coimbatore for his valuable suggestions and help in carrying out the work.

The author acknowledges his sincere thanks to (Late) Dr. P. Govindan, Dr. E. B. Perumal Pillai and Dr.P.Meerkshi and other
faculty members in Department of Civil Engineering and **Mrs.S.Meenaikshi**, Head of the Department of Humanities, Coimbatore Institute of Technology, Coimbatore for their valuable help and encouragement rendered throughout the work.

The author feels grateful to thank **Prof.Gopalakrishnan** and **Prof.Subramanian** of P.S.G. College of Technology for XRD analysis, **Mr. Kadhirvel** and **Mr.Govindarajan** of SITRA, Coimbatore for Scanning Electron Micrograph Study carried out during the work.

The author acknowledges **Mr.S.Srinivasan** and **Mr. Subramanian**, CECRI, Karaikudi and **Dr.R.N.Krishna**, Krishna consultants, Chennai for their invaluable help throughout the work.

The author feels grateful to thank **Dr.K.Gunasekaran** and **Dr.C.Umarani** Lecturers in IRTT for their valuable help during the work.

The author wishes to thank M.E. students **Abraham Vaneed**, **Harishkumar.S.V**, **Venkatachalapathi.V**, **Senthil Nathan**, **Aravind**, **Epi Kalyan Chakravarthi**, **K.Vairamuthu** and all P.G. and U.G. students of Department of Civil Engineering, CIT, Coimbatore who helped him in many ways during the work.

The help rendered by **Mr. Kingston** and **V.Senthilkumar** during the experimental work and **Mr.R.Manivasagam** during preparation of report are gratefully acknowledged. His graceful acknowledgements are profoundly due to the skilled assistant **Mr. G. Athimullah** and **Mrs. K. K. Rajalakshmi** for their immense assistance and support.

The author expresses his gratitude to **All India Council for Technical Education, New Delhi** for providing financial assistance to carry out the experimental work.
The author wishes to express his appreciation to the love, patience and constant encouragement of his father Mr. N. Sengottaian, mother (Late) Mrs. Valliammal, wife Mrs. V. G. Srisanthi and Daughter S. Suji.

Last but not the least the author thanks all those who have helped him directly or indirectly in the successful completion of this work.
