AKNOWLEDGMENT

It is my first and foremost privilege to express my deep sense of gratitude to Dr. Liladhar J. Raibagkar, Reader in physics J.E.S. College, Jalna, for his invaluable guidance, constant encouragement, motivative discussion and idealistic suggestion during the tenure at this study.

I record my gratefulness to principal G.R. Sikchi, R.G. Bagdia Arts, S.B. Lokhotiya Commerce and R. Benzanji Science College, Jalna for encouraging me to carry on research activities by extending required facilities.

Thanks are also due to principal Dr. R.G. Agrawal, Vice-Principal Dr. K.S. Bharuka for their constant encouragement.

My sincere thanks are due to Shri K.R.Patil, Ex-Head of Department of Physics, J.E.S. College Jalna, Dr. L.D.Nehate, Head of Department of Physics and Shri S.J. Lahoti, Lecturer in Physics for generous help through the progress of this work.

I offer my sincere thanks to Dr. S.C. Mehrotra, Head Department of Physics, Dr.S.S. Shah, Professor in Physics, Dr. G.K. Bichile, Reader in Physics,
Dr. P.B. Patil Reader in Physics, Dr. K.M. Jadhav Lecturer in Physics, Department of Physics Dr. Babasaheb Ambedkar Marathwada University, for their valuable guidance and providing necessary laboratory facilities.

I also take this opportunity to thank Shri Mukund Mantri, Kirti Industries Jalna, Shri Raithatta, Shri Bhakkad, Vaidhai Industries Jalna and Shri Dinesh Goyal, Goyal Metal, Jalna for their valuable work help to design and build small furnace and other workshop facilities.

For unstinted co-operation, zealous encouragement and personal assistance, I thank Shri R.D. Mahajan, Vice-Principal, Deogiri College Aurangabad, Dr. R. L Raibagkar, Lecturer in Applied Electronics, Gulbarga University.

I am also greatful to Dr. K.T. Kendre Head, Department of Chemistry, Dr. M.D. Shirsat, Dr. R.A. Oswal, Shri M. S. Jain for encouraging me to carry on the research activities by extending valuable co-operation.

I will be failing in my duties if I overlook the willing co-operation rendered by Shri. Rajendra R.
Rathi, Principal Institute of Pharmacy Jalna, Shri J.D.Kabra, Dr. S.R. Mirgane, Shri P.P. Desarda, Shri N.S. Rath, Dr. G.K. Lohiya, Shri S.B. Kucheriya, Shri S.D. Bhilegaonkar and other friends.

I also thanks to Shri Joshep Victor and non-teaching staff of Physics Department of J.E.S. College Jalna for valuable co-operation.

Thanks are due to Director T.I.F.R. Bombay giving facilities for sample preparation and X-ray also thanks to SSP Group and Mr. Arun Gurjar T.I.F.R. Bombay.

I feel deeply to express my sense of gratitude to my respected parents Shri Badrinarayanji and Sa. Rukhminibai and also my brothers Jainarayan, Satyanarayan, Rameshchandra, and all relatives for their constant encouragement, with love.

Thanks are due to Mrs. Aruna Raibagkar and family for valuable co-opeartion.
I also thanks to Shri Kiran Raibagkar, Mrs. Shivankar, principal of Pragati Computer Centre, Mr. Shivankar and Mr. and Mrs. Mantri Jalna for their valuable help in using Computer for typing
of the thesis.

Not least but last I, would also express my thanks to my wife Sau. Jyoti and Daughter Shrutika for their patience and understanding during my research work.

SHIVANRAYAN B. BAJAJ.
