ACKNOWLEDGEMENT

It is my first and foremost privilege to express my deep sense of gratitude to Dr. Balasaheb R. Arbad, Reader in Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his invaluable guidance, constant encouragement, motivative discussion and idealistic suggestions during the tenure of this study.

I am deeply indebted to Prof. D.V. Jahagirdar, Head, Department of Chemistry, and Prof. D.B Ingle, former Head of the Department of Chemistry, who very kindly permitted me to do this work and provided me with laboratory facilities in this Department.

My sincere thanks are due to Prof. D.G. Dhuley for his generous help throughout the progress of this work.

I offer my sincere thanks to Dr. S.C Mehrotra, Reader Department of physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his valuable guidance and providing necessary laboratory facilities.

I also take this opportunity to thank Dr. S.N. Helambe (Lect. Deogiri College, Aurangabad), shri Goje, Lect. Dept of computer science for their valuable help in using computer program.

For unstinted cooperation, Zealous encouragement and personnel assistance, I thank Dr. N.G. Palaskar,
Dr. M.S. Shingare, Dr. Y.H. Desphande, Shri S.W. Rajbhoj, Dr. T.K. Chondhekar, Dr. R.A. Mane entire Teaching and non teaching staff of Department of Chemistry Dr. Baba Saheb Ambedkar Marathwada University, Aurangabad.

I record my gratefulness to principal G.R. Sikchi, R.G. Bagdia Arts, S.B. Lakhota Commerce and R. Benzonji Science College, Jalna, for encouraging me to carry on the research activities by extending required facilities.

Thanks are also due to Principal Dr. R.G. Agrawal, Vice Principal Dr. K.S. Bharuka for their constant encouragement.

I am also grateful to Dr. K.T Kendre, Head, Department of chemistry, Shri M.G. Rana, Shri S.M. Deshpande, Dr. P.G. Mundhe, Dr. B.R. Agrawal, Shri D.M. Janrao, Dr. V.G. Kendre, Shri Sadaverte, Shri Pagare and Shri Bikked for encouraging me to carry on the research activities by extending valuable cooperation.

I will be failing in my duties if I overlook the willing cooperation rendered by my coworkers Shri W.N. Jadhav, Dr. V.N. Bhosle Shri M.G. Landge, Shri M.P. Lokhande, Shri S.B. Deshmukh, Shri A.S. Chowdhri Shri A.G. Shanakrwar and other colleagues and friends whose help created a pleasant environment to work in.

Dr. V.H. Patil,

Thanks are due to I.D.P.L. Hyderabad for supplying drug samples for the present work.
I feel deeply to express my sense of gratitude to my respected parents Shri Ramarao and Sau Chanbai for their constant encouragement with love.

Not least but last I would also express my thanks to my wife Sunita and son Saurabh for their patience and understanding during my research work.

Sunil R. Mirgane
