Acknowledgement

I would like to thank as many of the participants as I can name and to thank any one else down the line whose name I have missed or whose contribution was made anonymously.

I express my deep sense of gratitude to my research guide Dr. J. B. Shinde, Reader in Physics "Deogiri College, Aurangabad" who has taken long and pain-stacking efforts in helping and guiding in this research. His valuable suggestions, fruitful discussions and latest information made possible the refinement of the research work.

It is my moral obligation to express my sincere thanks to Mrs. Anita Shinde for her kind nature and hospitality during my work.

I express my sense of gratitude to Dr. S. C. Mehrotra, Professor and Head, Dept. of Computer Science & Information Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his valuable suggestions and kind cooperation in my work. I am very much thankful to Prof. Dr. S. H. Behere, Prof. Dr. Khirade P. W., Department of Physics, Dr. B. A. M. University, Aurangabad for providing necessary laboratory facilities and equipments.
I am grateful to Hon’ble Shri. Baburaoji N. Kadam, Secretary and Mrs. Anuradha Kadam “Mahatama Gandhi Mission Aurangabad”. His constant encouragement, motivation, appreciation and constructive criticism helped a lot to complete this research work successfully overcoming all the odds.

I extend my sincere thanks to Hon’ble Shri. Kamalkishor N. Kadam Chairman, Hon’ble Shri. Dr. P. M. Jadhav, Vice-Chairman, and all other management members of “Mahatama Gandhi Mission, Aurangabad” for encouraging me to carry out the research activities by extending necessary cooperation.

I offer my sincere thanks to Principal, MGM’s Jawaharlal Nehru Engineering College, Aurangabad, for giving the permission to work. His encouragement and kind cooperation which made this research work possible.

Thanks are also due to Prof. S. B. Jagdale, Head, Department of Physics, Dr. S. N. Helambe, Head, Department Of Electronics, Deogiri College, Aurangabad Dr. G. K. Bichile, Head, Department of Physics, Dr. K. M. Jadhav, Professor, Dept. of Physics Dr. B. A. M. University, Aurangabad for their generous help and kind cooperation.

I have been immensely benefited by my friends Prof. Mrs. Vandana Deshmukh, Prof. Undre P. They had the unenviable job of keeping the research work rolling and on track.
Thanks are also due to the non-teaching staff of Department of Physics, Dr. B. A. M. University, Aurangabad for their direct and indirect help during the work.

I would like to take this opportunity to express deep sense of gratitude to my father Shri. Pandharinath Ghatge and my mother Smt. Shantabai Ghatge for their grace, blessings and moral support, which led me to complete my research work.

Last but not the least, I wish to express my hearty thanks to my husband Mr. Yashwant Kadam who took pains to weed out technical and linguistic inaccuracies and my daughter Siddhika for her patience during this research work. I am grateful indeed to all of them.

Ms. Ghatge A.P.
Lecturer, Dept. of Physics
Mahatma Gandhi Mission’s
Jawaharlal Nehru Engineering College,
Aurangabad, M.S.
