ACKNOWLEDGEMENT

It would take pages, to acknowledge everyone who in sometime who in someway or the other helped me along my path reaching this goal, but certain individuals need special thanks for their valuable help.

First and foremost, with all my heart I would like to express my deepest gratitude and privilege for having been associated with Dr. V.K. Misuriya, M.S. Associate Professor, Department of Ophthalmology M.L.B. Medical College, Jhansi for his enlightened guidance which steered me towards the harbour of success. I am greatly thankful for the ceaseless attention, he has paid to my problems, always sparing a few moments for me even amidst the busiest of schedules without which this work would not have seen the light of day.

"The habits of punctuality, order, diligence, determination and concentration are the key to success". That is what has been inculcated into us by our honorable Head of Department and my Co-Guide, Dr. B.S. Jain M.S., Department of Ophthalmology, M.L.B. Medical College, Jhansi. His sense of precision, inflinching tenacity, passion for reason, compassion towards patients, knowledge and experience was a constant source of
inspiration to me. It was under his able guidance I read, learned and
ventured to write. Still, I take this opportunity to acknowledge most humbly
with a deep sense of gratitude my indebtedness to him. His encouragement
helped me to carry out this present work.

I am very thankful to my dear wife Dr. Prernā, who by her boundless
cooperation, unconditional and firm support has been a constant source of
inspiration and has kept me from faltering throughout his endeavour.

I am equally thankful to all the patients and their relative whose positive
response throughout. The study encouraged me towards progress.

I would like to express my thanks to Mr. Shashank Jain Chief of
NET.SOL Computers for the pain he took in helping me prepare a
presentable and neat work to submit.

I shall faith all my thanks if do not convey all my thank and respect to
all the people who took part in this work and helped it become a complete
study which reached conclusion.

Dated:  

(Dr. Himanshu Kumar)
